Notice of Annual General Meeting

This annual report has been reviewed by UOB Kay Hian Private Limited (the "Sponsor").

This annual report has not been examined or approved by the Singapore Exchange Securities Trading Limited ("SGX-ST") and the SGX-ST assumes no responsibility for the contents of this annual report, including the correctness of any of the statements or opinions made or reports contained in this annual report.

The contact person for the Sponsor is Mr Lance Tan, Senior Vice President, at 83 Clemenceau Avenue, #10-01 UE Square, Singapore 239920, telephone (65) 6590 6881.

Group Profile

We are a Singapore-based multi-services provider, focusing on four principal businesses, namely Engineering Services, Security and Manpower Services, Transport Services and Investment Properties.

We serve a wide range of customers from various industries, including MNCs, government bodies, schools and local companies.

Engineering Services

Provide a suite of the following services to the oil & gas, petrochemical, marine and construction industries:

- Scaffolding services (including engineered shelters)
- Insulation & passive fire protection services
- Electrical engineering systems

Transport Services

A leading bus transport service provider in Singapore for:

- Private bus charter services
- School bus services
- Ad-hoc bus services

Security and Manpower Services

Provide the following manpower services:

- Security services (including security guarding services & security system integration)
- Cleaning services
- Manpower services (specialise in sourcing and supplying general workers to a myriad of industries as well as aerospace technicians to companies engaged in MRO industry)

Investment Properties

- Leasing of investment properties to generate rental income and to gain from the appreciation in the value of the properties in the long term

Chairman's Statement

We held firmly to our values of governance, accountability, and long-term stewardship. Our Board of Directors continued to provide invaluable strategic guidance, ensuring that the Group remained aligned with its long-term vision amidst an evolving business landscape.

Dear Shareholders,

The financial year ended 30 June 2025 ("FY2025") marked a pivotal year of transformation and operational strengthening for Aedge Group. Building upon the foundation laid in previous years, we continued our steady journey of diversification and capability enhancement across our business units. Amidst a complex and evolving business environment, we remained focused on resilience, sustainability, and long-term value creation for all stakeholders.

We are pleased to report continued progress in the Group's fundamentals. Our revenue has increased to S\$28.0 million in FY2025 from S\$23.9 million in the financial year ended 30 June 2024 ("FY2024") demonstrating the early success of our strategy to drive higher-margin activities, improve utilisation of our existing assets across our various business units, and pursue scalable growth verticals. Overall gross profit rose year-on-year, and our positive EBITDA signals underlying operational health even as we prudently invest in our future.

Steady Progress and Transformation

A key highlight in FY2025 was the turnaround of our Transport Services division, which overcame the operational and cost pressures faced in FY2024. With focused management attention, right-sizing of fleet deployment, and improved demand from commercial clients, the division recorded a return to profitability. This positive reversal not only contributed to the Group's earnings but also reaffirmed the division's strategic importance. Looking ahead, we expect the Transport Services division to remain a steady contributor as we further strengthen service quality and operational efficiency.

Another important growth engine is our Manpower Services division, which registered expansion during the year. We capitalised on rising demand for outsourced manpower

solutions across industries, and successfully secured a number of new and renewal contracts. This segment has proven its scalability and resilience, and we believe it will play an increasingly integral role in the Group's revenue composition and growth trajectory in financial year ending 30 June 2026 ("FY2026") and beyond.

Our Engineering Services division recorded revenue of S\$7.9 million in FY2025, compared to S\$8.6 million in the previous year. The decline was largely due to the completion of several contracts in FY2024. Despite this, the Engineering Services division remains a core part of the Group's service offering and we will continue to pursue projects from the robust construction pipeline while actively managing costs.

Repositioning of Investment Properties on Track

Our Investment Properties segment also progressed well. Amethyst House has successfully been re-positioned to include a 299-bed secondary dormitory. In terms of revenue contribution, we have recorded full-year rental contributions from Amethyst House as well as phased revenue generation from Beryl House, which is undergoing conversion into a 408-bed secondary dormitory. This segment reflects our strategic pivot toward asset-backed recurring income streams, and we are optimistic about its continued development. We expect the 408-bed secondary dormitory to be ready by second half of financial year ending 30 June 2026 ("FY2026").

Stewardship, Sustainability and Shared Success

Throughout FY2025, we held firmly to our values of governance, accountability, and long-term stewardship. Our Board of Directors continued to provide invaluable strategic guidance, ensuring that the Group remained aligned with its long-term vision amidst an evolving business landscape. I would like to express my deepest appreciation to our Directors for their wise counsel and unwavering support, which have been instrumental in anchoring the Group's strategic direction during this phase of transformation and growth.

On this note, we are pleased to welcome Mr. Cheam Heng Haw (Howard) to our Board as an Independent Director. He brings with him a wealth of experience and perspectives that will further strengthen the Board's deliberations. We look forward to his valuable contributions as we continue to drive the Group's growth and development.

As a responsible corporate citizen, we also took deliberate steps to integrate sustainability into our operational fabric. A key milestone was the successful installation of a 615.55 kWp solar rooftop system atop Amethyst House. This

initiative allows us to generate clean, renewable energy onsite, reducing our reliance on traditional power sources and lowering our carbon footprint. The lessons and success from this project will drive and shape our future sustainability efforts across our property portfolio.

To our management team and employees, I extend heartfelt thanks for their tireless dedication, adaptability, and perseverance. Your efforts have not only delivered operational results but also contributed meaningfully to the Group's forward momentum. To our clients, partners, and shareholders, thank you for your continued confidence and trust in Aedge Group.

As we enter FY2026, we do so with a spirit of purpose and preparedness. We will continue to embrace new opportunities, manage risks with discipline, and invest in initiatives that deliver long-term value. With a diversified business platform, a growing emphasis on sustainability, and a deep bench of talent, we are well-positioned to capture growth while delivering lasting impact for all our stakeholders.

Yours sincerely,
Poh Soon Keng
Chairman
Aedge Group Limited

Board of Directors

MR POH SOON KENG
Executive Chairman and CEO

Date of first appointment as a Director:	3 October 2019
Date of last re-election as a Director:	26 October 2023
Present Directorships in listed companies:	Nil
Past Directorships in listed companies over preceding 3 years:	Nil

Mr Poh Soon Keng is the founder of our Group and is currently our Executive Chairman and CEO, and was appointed to our Board on 3 October 2019. Mr Poh is a member of the Nominating Committee of the Company.

He has over 20 years of experience leading and expanding our Group's business. Mr Poh is primarily responsible for the overall management, operations and strategic direction of our Group.

Mr Poh holds an honours degree in Public Administration conferred by Nanyang University in 1976.

MR DANIEL NG CHOON BENG
Executive Director

Date of first appointment as a Director:	20 May 2022
Date of last re-election as a Director:	24 October 2024
Present Directorships in listed companies:	Nil
Past Directorships in listed companies over preceding 3 years:	Nil

Mr Daniel Ng is our Executive Director and was appointed to our Board on 20 May 2022. He is also our Chief Operating Officer (Engineering). He is responsible for overseeing the management and operations of our Group's engineering services business segment.

Between 1990 to 2015, Mr Ng served as the regional business development director of SGB Aluma Singapore Pte Ltd and assisted in the business development and management aspects of the business.

Mr Ng holds an honours degree in Bachelor of Civil Engineering and a Master's degree in Business Administration from the University of Newcastle upon Tyne in 1989 and 1990 respectively.

MR LIM TAI TOON
Lead Independent Director

Date of first appointment as a Director:	2 November 2023
Date of last re-election as a Director:	24 October 2024
Present Directorships in listed companies:	Medinex Limited
Past Directorships in listed companies over preceding 3 years:	Medtecs International Corporation Limited

Mr Lim Tai Toon is our Lead Independent Director and was appointed to our Board on 2 November 2023. He is also the Chairman of the Audit and Risk Committee and a member of the Remuneration Committee and Nominating Committee.

Mr Lim was the General Manager for Student Castle Property Management Service (UK), an operator for student accommodation based in London under Cuscaden Peak Investment. Prior to joining Cuscaden Peak Investment, he held various senior positions including executive director and CEO of Mainboard listed companies.

Mr Lim, an accountant by profession, has more than two decades of experience in business operations, financial and general management, as well as audit, tax and corporate secretarial functions. He is also the Lead Independent Director for Medinex Limited.

Mr Lim obtained a Bachelor of Accountancy from National University of Singapore in 1985 as well as a Masters of Business (Information Technology) from Curtin University of Technology (Australia) in 2004 and Masters of Business Administration from Henley Management College in the United Kingdom in 1993. He is also a Fellow Chartered Accountant of The Institute of Singapore Chartered Accountants.

Board of Directors

MR GOH JOON LIAN
Independent Director

Date of first appointment as a Director:	24 March 2020
Date of last re-election as a Director:	26 October 2023
Present Directorships in listed companies:	Nil
Past Directorships in listed companies over preceding 3 years:	Nil

Mr Goh Joon Lian is our Independent Director and was appointed to our Board on 24 March 2020. He is also the Chairman of the Nominating Committee and a member of the Audit and Risk Committee and Remuneration Committee.

He had worked in Shell Singapore since 1999 and was the regional chairman of Shell South China when he left the company in 2012. He worked at Esso Singapore from 1979 to 1999 and at Sembawang Shipyard from 1976 to 1979.

Mr Goh obtained a Bachelor of Science with First Class Honours (Mechanical Engineering) from the University of Surrey, United Kingdom in 1976.

MR CHEAM HENG HAW HOWARD
Independent Director

Date of first appointment as a Director:	7 November 2024
Date of last re-election as a Director:	N.A.
Present Directorships in listed companies:	Centurion Asset Management Pte Ltd (as manager of Centurion Accomodation REIT) Santak Holdings Limited GDS Global Limited
Past Directorships in listed companies over preceding 3 years:	TOTM Technologies Limited

Mr Howard Cheam is our Independent Director and was appointed to our Board on 7 November 2024. He is also the Chairman of the Remuneration Committee and a member of the Audit and Risk Committee.

Mr Cheam is a partner at Rajah & Tann LLP and practices in the specialised field of Capital Markets and Mergers and Acquisitions (M&A). Mr Cheam has also been involved in various public merger and acquisitions transactions where he has acted for the offeror, offeree or financial adviser. His experience also includes various fund raising exercises for listed and unlisted companies such as the issue of bond instruments, convertible instruments and placements. In addition, he also handles general corporate and advisory work, such as joint ventures, trade transactions and investments.

Mr Cheam graduated from King's College London, with a Bachelor of Law (Honours) in 1999. He is a member of Law Society of Singapore and Singapore Academy of Law.

Management

MS TAN SIEW LAN

*Human Resources and
Administration Director*

Ms Tan Siew Lan is our Human Resources and Administration Director. She is responsible for the human resources and administration functions of the Group.

Ms Tan obtained a Bachelor of Arts from Nanyang University in 1976.

MS TAN AH HWA

*Senior Manager
(Manpower Outsourcing)*

Ms Tan Ah Hwa joined the Group in October 2007. She is responsible for the management and operations of the Group's manpower outsourcing services.

MR ONG BLAISE JUDE

Operations Director (Security)

Mr Ong joined the Group in 2012, and is our director of security services. He is responsible for the sales and operations of our security services.

Mr Ong has over 10 years of experience in security services, and has full WSQ (Workforce Skills Qualifications) accreditations in security management and operations, and is an accredited security consultant.

2020

2023

2024

✿ Successfully listed on SGX

✿ Acquired 4 Tuas South St 11, re-purposing to 408 bed secondary dormitory

Operations Review

We are positioned for a stronger financial performance. The Group will continue to invest strategically, deepen service capabilities, and maintain a disciplined cost culture, as we build toward sustainable growth and enhanced shareholder value

FY2025 was a defining year of disciplined execution and operational uplift for Aedge Group, as we continued our transformation journey while reinforcing our core business verticals. Amidst inflationary pressures and global macro volatility, the Group remained focused on quality growth, operational resilience, and sustainable earnings.

Our strategy yielded tangible results. The Group achieved total revenue of S\$28.0 million, which increased by 17.2% compared to S\$23.9 million in FY2024. More notably, gross profit grew 20.0% to S\$3.6 million, from S\$3.0 million a year ago, driven by improved project margins and cost discipline. EBITDA increased to S\$3.0 million (FY2024: S\$2.1 million), marking a meaningful improvement in operational efficiency.

While we recorded a net loss after tax of S\$0.9 million (FY2024: S\$0.6 million loss), this was largely attributable to one-off impairments as well as higher depreciation and finance costs tied to our investment property expansion — a forward-looking investment that is expected to contribute steadily in the years ahead.

Strengthening Momentum in Security and Manpower Services

Our Security and Manpower Services division, which includes cleaning, security, and outsourced staffing, emerged as the Group's leading revenue driver, contributing S\$13.1 million, or 46.7% of total revenue. This was underpinned by new contract wins, strong renewal rates, and a growing demand for reliable, flexible manpower solutions. With enhanced

workforce management and productivity optimisation, this segment not only delivered improved margins but also laid the foundation for continued growth. As we enter FY2026, we are confident that Security and Manpower Services division will remain a core pillar of the Group's recurring income.

Transport Division Turnaround

The Transport Services division recorded a marked turnaround from FY2024. Through fleet optimisation, restructuring, and enhanced route planning, the segment achieved revenue of S\$5.5 million and returned to profitability. The transformation of this business is a testament to the Group's ability to rejuvenate core operations through disciplined execution. With a stabilised cost base and rising contract volumes, Transport Services division is expected to be a steady contributor in the coming financial year.

Engineering Services

Our Engineering Services division recorded revenue of S\$7.9 million in FY2025, down from S\$8.6 million in the prior year. The decline was mainly attributable to the completion of several projects in FY2024. The Engineering Services division also registered a pre-tax loss of S\$0.4 million (FY2024: S\$0.3 million loss), due in part to cost pressures, impairment of inventories, and lower utilisation of resources across projects.

While performance was weaker year-on-year, the division continues to remain a key business of the Group. Looking ahead, we are cautiously optimistic given the robust outlook for Singapore's construction sector, with the Building and Construction Authority projecting an average annual construction demand of S\$39–46 billion per year from 2026 through 2029. We aim to selectively pursue projects where we have clear competitive advantages, while tightening cost management to improve margins and restore profitability.

Scaling Asset-Backed Income through Investment Properties

Our Investment Properties segment recorded revenue of S\$1.5 million in FY2025. This was anchored by the full-year rental contribution from Amethyst House, a 299-bed secondary dormitory acquired in FY2024. In parallel, we made strong progress on the conversion of Beryl House, a 408-bed facility that is expected to commence contributions in FY2026. As the Investment Properties segment only commenced operations in recent year, with the Beryl House undergoing conversion, it recorded a pre-tax loss of S\$0.5 million in FY2025 primarily

due to higher depreciation expenses and finance costs. With both properties under our operational umbrella, this segment is positioned to provide steady, long-term, asset-backed income.

Operational and Financial Strength

As of 30 June 2025, the Group's total assets increased to S\$32.3 million (FY2024: S\$25.0 million), mainly due to growth in investment properties. Cash and cash equivalents stood at S\$2.0 million, with financing strategically deployed to support revenue-generating asset investments. Shareholder equity remained stable at S\$11.1 million, reflecting a prudent capital management approach.

Outlook

Looking ahead, we are optimistic about FY2026. With the full commercialisation of Beryl House, momentum in our Security and Manpower Services and Transport Services divisions, and operational stability across divisions, we are positioned for a stronger financial performance. The Group will continue to invest strategically, deepen service capabilities, and maintain a disciplined cost culture, as we build toward sustainable growth and enhanced shareholder value.

Group Financial Highlights

	2025	2024	2023
	S\$'000	S\$'000	S\$'000
Income			
Revenue	28,041	23,907	26,451
(Loss) before tax	(800)	(598)	((2,701)

Dividends per Ordinary share	-	-	-

Note

(1) The calculation of basic loss per share has been based on the loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding.

Corporate Governance Report

The Board of Directors (the “**Board**”) of Aedge Group Limited (the “**Company**” together with its subsidiaries, the “**Group**”) continues to be committed to ensuring and maintaining high standards of corporate governance and places importance on its corporate governance processes and systems which are essential to the stability and sustainability of the performance of the Group, promotion of corporate transparency, accountability and integrity of the Group, protection of interests of shareholders and maximisation of long-term shareholder value.

This Corporate Governance Report (“**Report**”) describes the corporate governance practices and procedures adopted by the Company and were in place throughout the financial year ended 30 June 2025 (“**FY2025**”), with specific reference to the Principles and the Provisions of the Code of Corporate Governance 2018 (“**Code**”), which forms part of the continuing obligations of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”) Listing Manual Section B: Rules of Catalyst (“**Catalist Rules**”). The Company is also guided by the Practice Guidance which was issued to complement the Code and which sets out best practice standards for companies.

The Company has complied with the Principles as set out in the Code and the relevant Catalist Rules. Where there are deviations from the Provisions of the Code, appropriate explanations and reasons for deviation have been provided in this Report.

BOARD MATTERS

The Board’s Conduct of Affairs

Principle 1: The Company is headed by an effective Board which is collectively responsible and works with Management for the long-term success of the company.

Besides carrying out its statutory responsibilities, the Board meets regularly to oversee the business affairs, corporate affairs and the overall performance of the Group and works with management (“**Management**”) to take objective decisions in the best interest of the Group and shareholders. Board members are expected to act in good faith and exercise independent judgment in the best interests of the Group.

Any Director facing conflict of interest will recuse himself from discussions and decisions involving the issues of conflict. Management also plays a pivotal role in providing Board members with complete, adequate and timely information to assist the Board in the fulfilment of its responsibilities.

The Board has direct responsibility for decision-making in respect of various specific matters, including:

Corporate Governance

- a) Set the ‘tone at the top’ and instil an ethical corporate culture, including establishing a Code of Conduct.
- b) Review and ensure that the appropriate policies and practices on corporate governance are in place.
- c) Perform such duties and responsibilities as may be required by laws, regulations and the Constitution of the Company.
- d) Review and monitor the Group’s policies and practices on compliance with legal and regulatory requirements.
- e) Ensure that the required disclosures on corporate governance and related matters are made in the annual report and financial statements, and to the regulatory authorities.
- f) Ensure prudent policies for carrying on business while promoting fair practices and high standards of business conduct.
- g) Assess annually the effectiveness of the Board and Board Committees and contributions of each Director.
- h) Monitor and ensure the training and continuous professional development of Directors and senior management.
- i) Establish an Investor Relations Policy to promote regular, effective and fair communication with shareholders.

Corporate Governance Report

Strategy

- a) Set long term strategic goals and monitor the progress towards achieving these goals.
- b) Consider sustainability issues, including issues relating to environmental and social factors when formulating its strategies.

Finance

- a) Review and approve the annual business plan and budget.
- b) Monitor the financial performance of the Group.
- c) Determine an appropriate capital and debt structure for the Group to meet its long-term business objectives.
- d) Set the dividend policy and declare dividends. Where it is decided not to declare dividends, the Board shall announce such together with the reason(s) for the decision.
- e) Review and approve significant acquisitions and divestments. As a general guide, a significant acquisition or divestment is one that exceeds three per cent of the shareholders' funds.

Risk Management and Internal Controls

- a) Oversee the establishment and operation of an enterprise risk management framework to identify, assess, manage, monitor and report the Group's risks.
- b) Determine and review the Company's risk profile, risk tolerance level and risk management strategy.
- c) Conduct an annual, rigorous assessment of the adequacy and effectiveness of the Company's internal controls, including financial, operational, compliance and information technology controls, the effectiveness of its internal audit, risk management and compliance functions, and the adequacy of resources allocated to these functions.

Human Resource

- a) Approve the organisational structure of the Group and its key management positions.
- b) Determine the compensation packages and incentive payment structure for key management personnel ("**KMP**").
- c) Oversee the design and operation of the remuneration policy and compensation framework.
- d) Develop succession planning for Directors, including the Chief Executive Officer ("**CEO**"), and oversee succession planning for senior management.

The Group has adopted internal guidelines setting forth matters that require the Board's approval. Matters specifically reserved for approval by the Board are those relating to the long term strategies and business plans, annual budget of the Group, material capital expenditure exceeding a threshold limit, significant mergers and acquisitions, corporate or financial restructuring, share issuances, interim dividend and other returns to shareholders and interested person transactions. Clear guidelines are communicated to Management that such reserved matters must be approved by the Board.

Management is responsible for the day-to-day operations/administration of the Group and is accountable to the Board.

The Board exercises due diligence and independent judgment in dealing with the business affairs of the Group and works with Management to take objective decisions in the interest of the Group.

Corporate Governance Report

The Board has established and delegated specific authority to the committees of the Board, namely the Audit and Risk Committee (“**ARC**”), the Nominating Committee (“**NC**”) and the Remuneration Committee (“**RC**”) (collectively, the “**Board Committees**”) with clear written terms of reference to assist the Board in carrying out and discharging its duties and responsibilities efficiently and effectively. The Board Committees have the authority to deliberate on any issue under their specific areas of responsibility within their respective terms of reference and report to the Board with their decisions and/or recommendations. The ultimate responsibility and authority for the decisions and actions on all matters rest with the Board.

All the Board Committees are actively engaged and play an important role in ensuring good corporate governance in the Company and within the Group.

The Board convenes a minimum of four (4) scheduled meetings each financial year to approve, among others, announcements of the Group’s half-year and full year financial results. Additional meetings are also convened to discuss and deliberate on urgent substantive matters or issues. The Board may also have informal discussions on matters requiring urgent attention which would then be formally approved by circular resolutions in writing. The Company’s Constitution provides for the Board to convene meetings via telephone conferencing and electronic means in the event when Directors are unable to attend meetings in person.

While the Board considers Directors’ attendance at Board meetings important, it should not be the only criterion to measure their contributions. The Board also takes into account the contributions by Board members in other forms, including the provision of guidance and advice on various matters relating to the Group.

The number of meetings held in respect of FY2025 and the attendance of Directors at these meetings are as follows:

Number of Meetings Held in FY2025	Board	ARC	NC	RC	AGM
	4	4	1	1	1
Name of Directors	Attended	Attended	Attended	Attended	Attended
Mr Poh Soon Keng	4	4*	1	1*	1
Mr Ng Choon Beng	4	4*	1*	1*	1
Mr Lim Tai Toon	4	4	1	1	1
Mr Goh Joon Lian	4	4	1	1	1
Mr Cheam Heng Haw ¹	3	3	–	–	–
Mr Guok Chin Huat Samuel ²	1	1	1*	1	1

* Attendance by invitation.

1 Mr Cheam Heng Haw was appointed as an Independent Director, Chairman of the RC and a member of the ARC of the Company on 7 November 2024.

2 Mr Guok Chin Huat Samuel had resigned as an Independent Director on 22 November 2024 and ceased to be Chairman of the RC and a member of the ARC of the Company on 7 November 2024.

The Board ensures that incoming new Directors are given comprehensive and tailored induction on joining the Board, including onsite visits, if necessary, to familiarise with the business of the Group. Newly appointed Directors will be provided a formal letter setting out their duties and obligations. They will be given briefings by Management on the business activities of the Group and its strategic directions as well as its corporate governance practices. Directors who do not have prior experience as a director of a Singapore-listed company will attend the relevant training courses as required under Rule 406(3) (a) of the Catalist Rules.

Corporate Governance Report

All Directors are encouraged to keep abreast of developments in regulatory, legal and accounting frameworks that are of relevance to the Group through the extension of opportunities for participation in relevant training courses, seminars and workshops at the Group's expenses. During FY2025, the training courses attended by Directors include fiduciary duties in relation to ESG, anti-corruption and whistleblowing as well as updates on reporting frameworks (GRI, TCFD and ISSB). The Directors are also provided with updates on relevant new laws and regulations through emails and regular meetings.

To enable the Board to discharge its duties, Directors have access to adequate and complete information in a timely manner from Management so as to make informed decisions. A system of communication between Management, the Board and Board Committees has been established and improved over time.

In addition to the annual budget and business plans, the Board is provided with quarterly financial management reports which contain key performance indicators on the Group's performance, position and prospects. Management also keeps the Board apprised of material variances between the actual results, corresponding period of last year and the budget, with appropriate explanations for such variances. Additional information is circulated to the Board as and when there are material developments in the Group's business operations.

In the furtherance of their duties, the Directors may seek independent professional advice, where appropriate, with such expense borne by the Company.

Board members have separate and independent access to Management and the Company Secretary. The Company Secretary and/or his/her representative(s) attend all Board and Board Committee meetings and provide secretarial support to the Board, ensuring that Board procedures and all other rules and regulations applicable to the Company are adhered to.

The role of the Company Secretary is, *inter alia*, advising the Board on all governance matters and ensuring that all Board procedures are followed. Directors have separate and independent access to the Company Secretary through e-mail, telephone and face-to-face meetings. In FY2025, the Company Secretary and/or his/her representative(s) attended all meetings of the Board and Board Committees and the minutes of such meetings were promptly circulated to all Board and Board Committees.

The appointment and removal of the Company Secretary are subject to the approval of the Board.

Board Composition and Guidance

Principle 2: The Board has an appropriate level of independence and diversity of thought and background in its composition to enable it to make decisions in the best interests of the company.

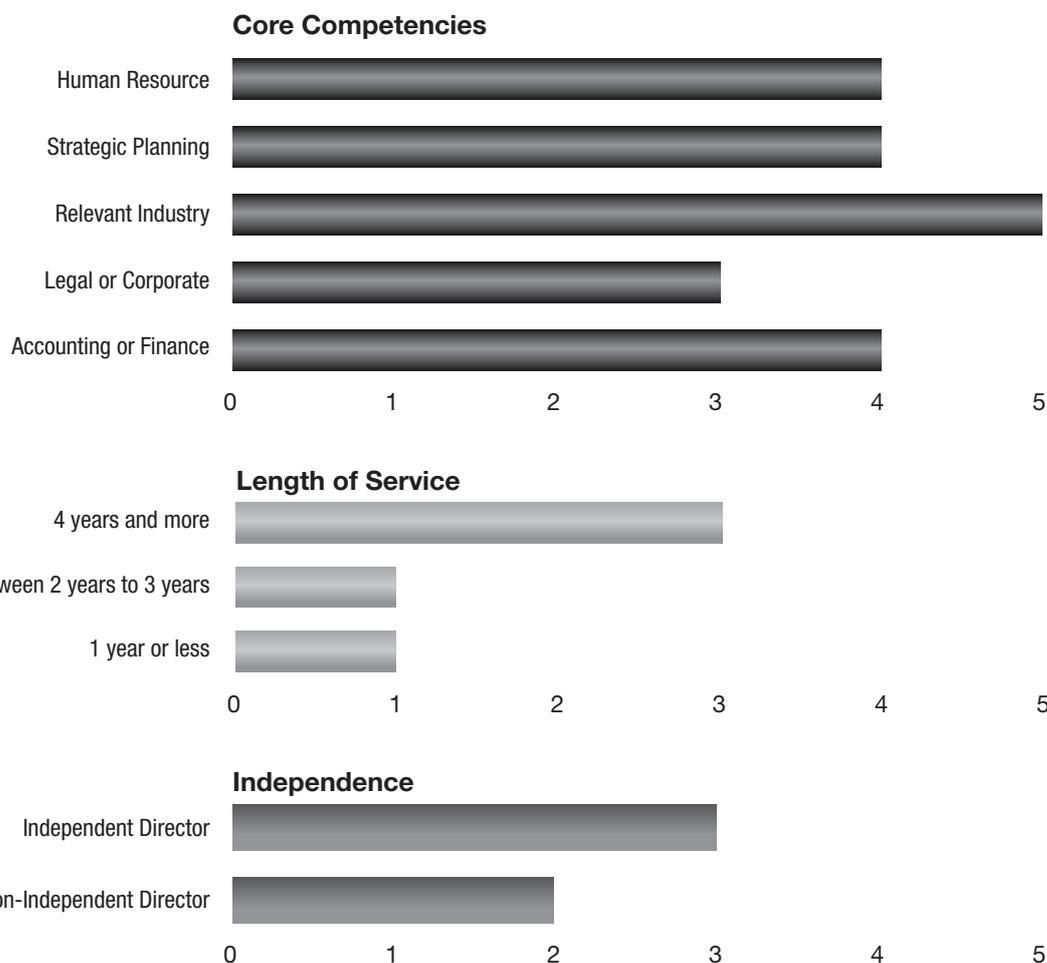

As at the date of this Report, the Board comprises five (5) Directors, of whom three (3) are Independent Directors and two (2) are Executive Directors ("EDs"). There is a strong and independent element on the Board with Independent Directors comprising a majority of the Board, and no individual or small group of individuals dominate the Board's decision-making.

The Directors bring with them a broad range of business and financial experience, skills and expertise in finance, industry, business, management and general corporate matters. The profiles of the Directors are set out on pages 4 to 5 of this Annual Report.

The Company has adopted a Board diversity policy and the objective is to enhance the decision-making of the Board by utilising the variety in skills, industry and business experiences, gender, age, tenure of service, and other distinguishing qualities of the members of the Board. The Board recognize the importance and value of gender diversity, but has not set a specific target as it may detract from the more fundamental principle that the candidate must be of the right fit and should possess the right blend of skills, industry knowledge, relevant experience and suitability to meet the relevant needs and vision of the Company. The Board comprises members with an appropriate balance and diversity of skills, experiences, backgrounds, age and knowledge. As such, the Board is of the view that there is diversity in its composition.

Corporate Governance Report

The diversity of the current Board is as follows:

The Board's size and composition is reviewed annually by the NC to ensure that the Board and Board Committees have the appropriate mix of skills, expertise, experience and knowledge of the Group as well as an appropriate balance of Independent Directors. The NC is of the view that the current Board comprises persons whose diverse skills, expertise, experience and knowledge of the Group provide for an effective Board. Taking into account the scope and nature of the current operations of the Group, the Board considers the current Board size of five (5) Directors appropriate to facilitate decision-making.

As the Group's activities continue to grow, the NC will periodically review the composition of the Board to ensure it has the necessary competencies to be effective.

As set out under Provision 2.1 of the Code, an independent director is one who is independent in conduct, character and judgement, and has no relationship with the Company, its related corporations, its substantial shareholders or its officers that could interfere, or be reasonably perceived to interfere, with the exercise of the director's independent business judgement with a view to the best interests of the Company.

The independence of each Independent Director is assessed at least annually by the NC in accordance with the guidance in the Code and its Practice Guidance, Rule 406(3)(d) of the Catalist Rules, as well as the Director's disclosure of his other appointments, principal commitments, personal circumstances and his conduct in the discharge of his duties. Each Independent Director is required to complete, on an annual basis, a Confirmation of Independence form based on Principle 2 of the Code for the NC's review.

As at the date of this Report, the NC had reviewed the independence of each of the Independent Directors and is satisfied that Mr Lim Tai Toon, Mr Goh Joon Lian and Mr Cheam Heng Haw are independent. The Board concurs with the NC's assessment.

Corporate Governance Report

Each Independent Director had abstained from deliberating on his respective independence.

None of the Directors, independent or executive, have served for more than nine years.

As the Chairman of the Board is not an Independent Director, the NC had reviewed the composition of the Board and is satisfied that the Independent Directors make up a majority of the Board and provides the Board with independent and objective judgment on the corporate affairs of the Group.

The Company complies with Provisions 2.2 and 2.3 of the Code, which requires Independent Directors and Non-Executive Directors to make up a majority of the Board. The Company also complies with Rule 406(3)(d) of the Catalist Rules.

The Board believes that the Executive Chairman has always acted and will continue to act at all times in the best interest of shareholders as a whole and will strive to protect and enhance long-term shareholder value and the financial performance of the Group.

When necessary, led by the Lead Independent Director, the Independent Directors will meet periodically without the presence of the EDs and Management. The Lead Independent Director will provide feedback to the Chairman after such meetings as appropriate.

The Company also benefits from Management's ready access to its Directors for guidance and exchange of views both within and outside the formal environment of Board and Board Committee meetings.

Chairman and Chief Executive Officer

Principle 3: There is a clear division of responsibilities between the leadership of the Board and Management, and no one individual has unfettered powers of decision-making.

The Code advocates that there should be a clear division of responsibilities between the leadership of the Board and the executives responsible for managing the Group's business and no one individual should represent a considerable concentration of power.

Mr Poh Soon Keng is the Executive Chairman of the Board and CEO of the Company. He assumes responsibility for the following:

1. ensures the smooth functioning of the Board and timely flow of information between Management and the Board;
2. sets the agenda for Board meetings and ensures that adequate time is available for discussion of all agenda items, in particular strategic issues;
3. promotes a culture of openness and debate at the Board;
4. promotes high standards of corporate governance;
5. assumes responsibility for running the day-to-day business of the Group;
6. ensures the implementation of policies and strategy across the Group as set by the Board;
7. manages the management team; and
8. leads the development of the Group's future strategy, including identifying and assessing risks and opportunities for the growth of its business and reviewing the performance of its existing businesses.

Mr Poh Soon Keng communicates with the Board regularly to provide updates on corporate issues and developments. He plays a pivotal role in fostering constructive dialogue among stakeholders, the Board and Management at various meetings.

Taking into account the current corporate structure, size, nature and scope of the Group's operations, the Board is of the view that it is presently not necessary to separate the roles of the Chairman and CEO. With the Board comprising a majority of Independent Directors, the Board believes that there are sufficient safeguards and checks to ensure that the process of decision-making by the Board is independent and based on collective decisions without any individual or group of individuals exercising any considerable concentration of power or influence.

Corporate Governance Report

As the Chairman is not an Independent Director, Mr Lim Tai Toon has been appointed as the Lead Independent Director of the Company to provide leadership in situations where the Chairman is conflicted. He is also available to shareholders in situations where there are concerns or issues which communication with the Executive Chairman and CEO has failed to resolve or where such communication is inappropriate or inadequate. Mr Lim Tai Toon also takes the lead in ensuring compliance with the Code.

Board Membership

Principle 4: The Board has a formal and transparent process for the appointment and re-appointment of directors, taking into account the need for progressive renewal of the Board.

The NC comprises the following Directors, the majority of whom, including the NC Chairman, are independent:

Mr Goh Joon Lian, Chairman	(Independent Director)
Mr Lim Tai Toon	(Lead Independent Director)
Mr Poh Soon Keng	(Executive Chairman & CEO)

The Lead Independent Director is also a member of the NC.

The NC, which meets at least once a year, carries out its duties in accordance with a set of written Terms of Reference which includes the following: -

1. review of the structure, size and composition of the Board and Board Committees;
2. review of succession plans for the Board Chairman, Directors, CEO and KMP;
3. development of a transparent process for evaluating the performance of the Board, Board Committees and Directors, including assessing whether Directors are able to commit enough time to discharge their responsibilities and the maximum number of listed company Board representations which a Director may hold;
4. review of training and professional development programmes for the Board; and
5. appointment and re-appointment of all Directors (including any Alternate Directors).

The Board, through the NC, reviews annually the effectiveness of the Board as a whole and its required mix of skills and experience and other qualities, including core competencies, which Directors should bring to the Board.

The key responsibilities of the NC include making recommendations to the Board on relevant matters such as the process for evaluating the performance of the Board, Board Committees and each Director as well as succession planning. It seeks to refresh Board membership as it thinks fit in an orderly and progressive manner so as to keep institutional memory intact. It also ensures compliance with the Company's Constitution which requires all Directors to submit themselves for re-election at least once every three years; and at least one-third of the Directors for the time being to retire from office by rotation. New Directors appointed during the year are subject to retirement and re-election at the following annual general meeting ("**AGM**") of the Company.

The NC has recommended and the Board has concurred, for the following Directors to retire and seek re-election at the forthcoming AGM of the Company:

Pursuant to Regulation 98 of the Company's Constitution:

Mr Poh Soon Keng
Mr Goh Joon Lian

Pursuant to Regulation 102 of the Company's Constitution:

Mr Cheam Heng Haw

Pursuant to Rule 720(5) of the Catalist Rules, information relating to the Directors seeking re-election as set out in Appendix 7F of the Catalist Rules is disclosed in the section "Disclosure of Information on Directors Seeking Re-Election" of this Annual Report.

Corporate Governance Report

In recommending a candidate for re-appointment to the Board, the NC considers, amongst other things, his overall performance and contributions to the Board (including attendance and participation at meetings, time and effort accorded to the Company's or Group's business and affairs) and his independence.

Each member of the NC abstains from deliberations and voting on any resolutions in respect of the assessment of his own performance or re-election as a Director of the Company.

The NC leads the process and makes recommendations to the Board for the selection and approval of appointment of new Directors as follows:-

1. Consider candidates from a wide range of backgrounds.
2. Consider candidates on their own merits and evaluate against objective criteria such as their experience, knowledge and skills in relation to the Directors of the Board; and whether the candidates will add diversity to the Board and have adequate time to discharge their duties.
3. Consider the composition and progressive renewal of the Board or Board Committees.
4. Appoint an independent third party to source and screen candidates, if necessary.
5. Before recommending an appointee to the Board, the NC shall ask him to disclose any existing or expected future business interest that may lead to conflict(s) of interest. This disclosure is to be included in any recommendations to the Board.
6. Following the Board's approval, the NC will issue the newly appointed Director a formal appointment letter which clearly sets out his roles and responsibilities, authority, and the Board's expectations in respect of his time commitment as a Director of the Company.
7. The NC recommends the membership of the Board Committees to the Board.

The Board is also advised by the Sponsor on the appointment of Directors as required under Rule 226(2)(d) of the Catalyst Rules.

The NC will evaluate the suitability of a candidate based on his qualifications, business and related experience, commitment, ability to contribute to the Board process and such other qualities and attributes that may be required by the Board, before making its recommendation to the Board. The NC and the Board ensure that the selected candidate is aware of the expectations and the level of commitment required. Directors are encouraged to attend relevant training programmes conducted by the Singapore Institute of Directors, SGX-ST, and other business and financial institutions and consultants.

The NC also assesses whether a Director is able to and has been adequately carrying out his duties as a Director of the Company. In assisting the NC to determine whether Directors who are on multiple boards have committed adequate time to diligently discharge their duties and responsibilities towards the Company's affairs, internal guidelines have been established to address the competing time commitments faced by Directors serving on multiple boards. The NC is of the view that the number of directorships a Director can hold and his principal commitments should not be prescriptive as the time commitment for each board membership will vary. The NC assesses holistically, and on a case-by-case basis, whether a Director is able to carry out, and has been adequately carrying out, his duties and responsibilities as a Director.

During FY2025, the NC had reviewed each of the Director's directorships in other companies and principal commitments as well as each Director's attendance, overall performance and contribution to the Board. The NC is satisfied that each Director is able to carry out and has been adequately carrying out his duties as a Director of the Company and that each Director has given sufficient time and attention to the affairs of the Company.

All Directors are required to declare their board representations at the Company's Board meetings whenever there is a change.

Presently, the Company does not have any Alternate Director as the Board does not encourage the appointment of Alternate Directors unless it is an exceptional case.

Corporate Governance Report

Board Performance

Principle 5: The Board undertakes a formal annual assessment of its effectiveness as a whole, and that of each of its board committees and individual directors.

The NC has in place a framework for annual performance evaluations to assess the effectiveness of the Board, each of the Board Committees and each individual Director.

The performance evaluation exercises are carried out annually by way of completion of performance evaluation questionnaires, which are circulated to Board members for completion and thereafter for the NC to review and determine the actions required to ensure continuous improvement and effectiveness of the Board, Board Committees, as well as the contribution by the Chairman and each individual Director.

For the year under review, all Directors participated in the performance evaluation by completing the performance evaluation questionnaires.

For the assessment of the effectiveness of the Board as a whole, the performance criteria are based on financial and non-financial indicators such as an evaluation of the size and composition of the Board, the Board's access to information, Board processes, strategy and planning, risk management, accountability, Board's performance in relation to discharging its principal functions, communication with Management and standards of conduct of the Directors. The assessment is completed by all the Directors.

For the assessment of the Board Committees, these are performed by the Chairman of the respective Board Committee, in consultation with his Committee members.

For the assessment of individual Directors to the effectiveness of the Board, this is performed jointly by the Chairman of the Board and Chairman of the NC.

The aforesaid evaluations are submitted to the Company Secretary for collation and the consolidated responses are presented to the NC for review and discussion.

Based on the completed review for FY2025, the NC is satisfied that the Board and Board Committees have been effective, and that each Director has contributed sufficiently to the effective functioning of the Board.

The Board has not engaged any external consultant to conduct an assessment of the effectiveness of the Board and the contribution by each individual Director to the effectiveness of the Board for FY2025. However, the NC will consider such an engagement as and when necessary.

REMUNERATION MATTERS

Procedures for Developing Remuneration Policies

Principle 6: The Board has a formal and transparent procedure for developing policies on director and executive remuneration, and for fixing the remuneration packages of individual directors and key management personnel. No director is involved in deciding his or her own remuneration.

Matters concerning remuneration of the Board, KMP and employees who are immediate family members of the Directors, the CEO or substantial shareholders of the Company (if any) are handled by the RC whose primary function is to develop formal and transparent policies on remuneration matters and fixing the remuneration packages of the Directors of the Company and KMP. The RC also reviews and ensures that the Company's remuneration policy is appropriate to attract, retain and motivate the required talent to run the Company successfully.

Remuneration matters which are required to be disclosed have been sufficiently disclosed in this Report under Principles 6, 7 and 8; and in the Financial Statements of the Company and of the Group.

Corporate Governance Report

The RC comprises the following three (3) Directors, all of whom are Independent Directors:

Mr Cheam Heng Haw, Chairman	(Independent Director)
Mr Lim Tai Toon	(Lead Independent Director)
Mr Goh Joon Lian	(Independent Director)

The composition of the RC is in accordance with the Code, which requires the RC to be made up entirely of Non-Executive Directors.

The RC, which meets at least once a year, carries out its duties in accordance with a set of written Terms of Reference which includes the following:

1. take into account all relevant legal and regulatory requirements, including the principles and provisions of the Code and the Company's long-term goals, when determining the Company's remuneration policies. In doing so, it should also consider the Company's risk appetite and ensure that the policies are aligned to long-term goals;
2. set the remuneration policy for the Directors, CEO and KMP. The Board recommends proposed NED fees for shareholders' approval;
3. monitor the level and structure of remuneration for senior management relative to industry peers;
4. review the ongoing appropriateness and relevance of the Company's remuneration policy;
5. obtain reliable, up-to-date information on the remuneration practices of other companies and the relevant market benchmarks through the appointment of external consultants. Such information can also be obtained by commissioning or purchasing any appropriate reports, surveys or information. These will be at the expense of the Company;
6. oversee any major changes in employee benefits or remuneration structures;
7. review all long-term and short-term incentive plans for approval by the Board and shareholders;
8. ensure that the contractual terms and any termination payments are fair to the individual and the Company. Poor performance should not be rewarded;
9. set performance measures and determine targets for any performance-related pay schemes operated by the Company;
10. oversee the talent management and succession planning matters for executives. EDs should collaborate on this with the NC; and
11. work and liaise, as necessary, with all other Board Committees on any other matters connected with remuneration.

The RC is responsible for ensuring a formal and transparent procedure is in place for fixing the remuneration packages of individual Directors, KMP and related employees. All aspects of remuneration, including but not limited to, Directors' fees, salaries, allowances, bonuses, awards to be granted under the performance share plan as well as other benefits-in-kind are reviewed by the RC. The recommendations of the RC are submitted for endorsement by the Board. Such frameworks are reviewed periodically to ensure that the Directors and KMP are adequately but not excessively remunerated as compared to industry benchmarks and other comparable companies. The RC also considers and recommends the CEO's remuneration package including fixed salary, guaranteed bonus plus an annual incentive bonus calculated based on the consolidated net profit before tax and extraordinary items.

The RC also ensures that the Independent Directors are not over-compensated to the extent that their independence may be compromised. Each member of the RC abstains from voting on any resolutions in respect of his own remuneration package. Directors' fees are further subject to the approval of shareholders at each AGM.

The remuneration of related employees is reviewed annually by the RC to ensure that their remuneration packages are in line with the staff remuneration guidelines and commensurate with their respective job scope and level of responsibilities. Any bonuses, pay increments and/or promotions for these related employees will also be subject to the review and approval of the RC. In the event that a member of the RC is related to the employee under review, he will abstain from participating in the review. The RC also takes into account the current market circumstances and the need to attract and retain experienced/outstanding Directors and KMP.

Where necessary, the RC will consult external professionals on remuneration matters of Directors and KMP. In FY2025, the Company did not engage any external remuneration consultants.

Corporate Governance Report

Level and Mix of Remuneration

Principle 7: The level and structure of remuneration of the Board and key management personnel are appropriate and proportionate to the sustained performance and value creation of the company, taking into account the strategic objectives of the company.

Remuneration of Executive Directors and Key Management Personnel

The Company's remuneration structure for its EDs and KMP comprises a mixture of three key components (fixed and variable):

- (a) annual fixed salary;
- (b) annual incentive bonus; and
- (c) other incentive.

The annual fixed cash component comprises the annual fixed salary as per their service agreements. The annual incentive bonus is calculated based on the Group's audited consolidated profit before taxation subject to the terms and conditions in the service agreements.

Under the service agreements of the Executive Chairman and CEO, Mr Poh Soon Keng, and the Executive Director and Chief Operating Officer (Engineering Services), Mr Ng Choon Beng, each are provided the sole use of one (1) motor car. Such motor car shall be of such make and model to be approved by the Board. The Company shall also bear the premium for insurance and road tax thereof and shall reimburse the EDs for all running expenses (including car parking expenses, toll charges, petrol, maintenance and repairs).

To remain competitive and relevant, the Company aims to benchmark its annual fixed salary at market median with variables being strictly performance driven.

There are no onerous removal clauses contained in the service agreements. The service agreement of the CEO is under the purview of the RC to ensure fairness and reasonable terms of service tied to performance.

Having reviewed and considered the salary components of the EDs and the KMP which are considered reasonable and commensurate with their respective job scope and level of responsibilities, the RC is of the view that there is no requirement to use contractual provisions to allow the Company to reclaim incentive components of the remuneration paid in prior years in exceptional circumstances of misstatement of financial results, or of misconduct resulting in financial loss. The EDs owe a fiduciary duty to the Company. The Company should be able to avail itself to remedies against the EDs in the event of such breach of fiduciary duties.

The remuneration of the Independent Directors is set out in accordance with a framework comprising a basic Directors' fee, in addition to Board Committee fees. In determining the quantum of such fees, factors such as frequency of meetings, time spent and responsibilities of Directors are taken into account. The Company believes that the current remuneration of the Independent Directors is at a level that will not compromise the independence of the Directors.

The RC has recommended to the Board an amount of S\$112,000 as Directors' fees for FY2025 (FY2024: S\$112,000). The Board had concurred with the RC that the proposed Directors' fees for FY2025 is appropriate, taking into consideration the Company's performance in a challenging business environment, the level of contributions, responsibilities and obligations of the Directors. This will be tabled at the Company's forthcoming AGM for shareholders' approval.

Long-term Incentive Scheme

The Company has adopted a performance share plan known as the "Aedge Performance Share Plan" ("**PSP**") and a share option scheme known as the "Aedge Employee Share Option Scheme" ("**ESOS**"). Both the PSP and ESOS provide eligible participants with an opportunity to participate in the equity of the Company and to motivate them towards better performance. Both the PSP and ESOS form an integral and important component of the compensation plan and are designed primarily to reward and retain employees whose services are vital to the growth and performance of the Company and the Group. As at the date of this Report, no awards had been granted under the PSP and ESOS.

Corporate Governance Report

Disclosure on Remuneration

Principle 8: The Company is transparent on its remuneration policies, level and mix of remuneration, the procedure for setting remuneration, and the relationships between remuneration, performance and value creation.

Details on the remuneration of the Directors and KMP for the year under review are presented below. In FY2025, there was no termination, retirement and post-employment benefits granted to any Director or KMP.

Name of Directors	Breakdown of Remuneration				Total (\$)
	Directors' Fees (%)	Salary ¹ (%)	Performance bonus (%)	Other benefits (%)	
Mr Poh Soon Keng	–	92.4	–	7.6	252,780
Mr Ng Choon Beng	–	89.7	–	10.3	179,610
Mr Goh Joon Lian	100	–	–	–	32,000
Mr Lim Tai Toon	100	–	–	–	48,000
Mr Cheam Heng Haw ²	100	–	–	–	32,000
Mr Guok Chin Huat Samuel ³	–	–	–	–	–

Notes:

¹ The salary amounts shown are inclusive of allowances and CPF.

² Mr Cheam Heng Haw was appointed as an Independent Director, Chairman of the RC and a member of the ARC of the Company on 7 November 2024.

³ Mr Guok Chin Huat Samuel had resigned as an Independent Director on 22 November 2024 and ceased to be Chairman of the RC and a member of the ARC of the Company on 7 November 2024. No Directors' fees were paid to him for FY2025.

Remuneration of Key Management Personnel (Other than Executive Directors)

In FY2025, there are four (4) KMPs (other than Executive Directors) in the Group. The table below sets out the breakdown of remuneration received by the four (4) KMPs in the Group (in remuneration bands) in FY2025:

Name of Key Management Personnel	Position	Breakdown of Remuneration in Percentage (%)			
		Salary ¹ (%)	Variable Bonus (%)	Other benefits (%)	Total (%)
Between S\$100,001 to S\$200,000					
Ms Tan Siew Lan ²	Human Resource and Administration Director	100	–	–	100
Ms Tan Ah Hwa ³	Senior Manager (Manpower Outsourcing)	83.7	4.8	11.5	100
Mr Ong Blaise Jude	Operations Director (Security)	96.7	3.3	–	100
Mr Poh Tze Ren ⁴	Group Operation Manager	94.9	5.1	–	100

¹ The salary amounts shown are inclusive of CPF.

² Ms Tan Siew Lan is the spouse of Mr Poh Soon Keng, Executive Director and CEO.

³ Ms Tan Ah Hwa is the sister of Ms Tan Siew Lan and sister-in-law of Mr Poh Soon Keng.

⁴ Mr Poh Tze Ren is the nephew of Mr Poh Soon Keng.

In aggregate, the total remuneration (including CPF contributions thereon and bonus) paid to the four (4) KMPs in FY2025 is approximately S\$497,000.

Corporate Governance Report

Taking into consideration the highly competitive business environment and nature of the industry and in order to maintain confidentiality on the remuneration policies of the Company and sensitivity reasons, the Board is of the view that it is in the best interests of the Company to keep the disclosure of remuneration of each KMP in salary bands instead of providing full disclosure which may adversely affect talent attraction and retention.

Save as disclosed in the table above, there are no other immediate family members of a director, CEO or substantial shareholder whose remuneration exceeded S\$100,000 during the year pursuant to Provision 8.2 of the Code.

The RC is of the view that the remuneration of KMP is in line with the Company's staff remuneration guidelines and commensurate with their job scopes and level of responsibilities.

In determining the remuneration of the EDs and KMP, the RC reviewed their respective key performance indicators and assessed their performance for the financial year under review.

ACCOUNTABILITY AND AUDIT

Risk Management and Internal Controls

Principle 9: The Board is responsible for the governance of risk and ensures that Management maintains a sound system of risk management and internal controls, to safeguard the interests of the company and its shareholders.

The Board and the ARC are responsible for the governance of risk and ensure that the Company maintains a sound system of internal controls to safeguard shareholders' investments and the Group's assets as well as to manage potential risks. They also determine the nature and extent of the significant risks which the Board is willing to take in achieving strategic objectives.

In discharging its responsibility of providing accurate and relevant information on a timely basis to shareholders in compliance with statutory and regulatory requirements, the Board ensures the timely release of the Group's financial results and that the results provide a balanced and understandable assessment of the Group's performance, position and prospects.

The Board takes steps to ensure compliance with legislative and regulatory requirements, including requirements under the Catalist Rules. The Independent Directors, in consultation with Management, will request the establishment of written policies for any particular matter that is deemed to be essential to form part of management control.

On a quarterly basis, Management updates the ARC and Board on the Group's business activities and financial performance by providing updates on any business, operations and financial related matters. Such reports compare the Group's actual performance against the approved budget and results of the previous year, and highlighting material financial risks or impact and providing updates on the status of significant financial issues of the Group, if any. They also highlighted key business indicators and major issues that are relevant to the Group's performance from time to time in order for the ARC and Board (i) to make a balanced and informed assessment of the Group's performance, position and prospects; (ii) and confirm, *inter alia*, that the financial processes and controls as well as the integrity of the Group's financial statements are in place.

Prior to the release of financial results to the public, Management will present the Group's financial performance together with notes explaining in detail the operations and trends to the ARC, which will review and recommend the same to the Board for approval and adopt for the release of the results. During the year, the unaudited half-yearly and full year results of the Group had been announced within the respective regulatory deadlines.

In accordance with the Catalist Rules, the Board has issued negative assurance statements in its half-yearly financial results announcement, confirming to the best of its knowledge that nothing had come to the attention of the Board which might render the financial statements false or misleading in any material aspect.

Management is responsible for the design, implementation and monitoring of the Group's risk management and internal control systems and to provide the Board with a basis to determine the Group's level of risk tolerance and risk policies. The Board, with the assistance of the ARC, acknowledges that it is responsible for reviewing the adequacy and effectiveness of the Group's risk management and internal control systems including financial, operational, compliance and information technology controls.

Corporate Governance Report

The Company's internal auditors, Baker Tilly TFW LLP ("BT"), reviews the Group's material internal controls as part of the Internal Audit Plan to provide independent assurance to the ARC and the Board on the adequacy, effectiveness and integrity of the Group's internal controls and risk management systems. The Board believes that adequate internal controls within the Group are crucial to ensure that the Group continues to meet or exceed its standards in all key aspects along with safeguarding the shareholder's interests and the Group's assets through effective risk management.

On an annual basis, the ARC reviews and reports to the Board the Group's risk profile, evaluates results and counter-measures to mitigate or transfer identified potential risks so as to assure itself and the Board that the process is operating effectively as planned. The Group recognises risk management as a collective effort beginning with the individual subsidiaries and business units, followed by the operating segments and ultimately Management and the Board, working as a team. The process identifies relevant potential risks across the Group's operations with the aim to bring them within acceptable cost and tolerance parameters.

Management regularly reviews and updates the Board on the Group's business and operational activities in respect of the key risk control areas including financial, operational, compliance and information technology controls and continues to apply appropriate measures to control and mitigate these risks. All significant matters are highlighted to the Board and the ARC for further discussion. The Board and the ARC also work with the internal auditors, external auditors and Management on their recommendations to institute and execute relevant controls with a view to manage such risks.

The Board recognises that no cost effective system of internal controls could provide absolute assurance against the occurrence of material errors, losses, fraud or other irregularities. No significant risk on the internal control system was brought to the attention of ARC in FY2025.

For FY2025, the Board and ARC had received a written assurance from the CEO and the Head of Finance that (a) the financial records of the Company have been properly maintained and the financial statements prepared in accordance with the relevant accounting standards give a true and fair view of the Company's operations and finances; and (b) the Group's risk management and internal control systems to address the key financial, operational, compliance and information technology risks affecting the operations are adequate and effective to meet the needs of the Group in its current business environment.

Based on the internal controls established and maintained by the Group, work performed by the internal and external auditors, reviews performed by Management and the various Board Committees and the written assurances, the Board, with the concurrence of the ARC, is of the opinion that the Group's internal controls and risk management systems were adequate and effective in FY2025 to address financial, operational, compliance and information technology risks which the Company considers relevant and material to its operations.

Audit and Risk Committee

Principle 10: The Board has an Audit and Risk Committee which discharges its duties objectively.

The ARC comprises three (3) Independent Directors as follows:

Mr Lim Tai Toon, Chairman	(Lead Independent Director)
Mr Goh Joon Lian	(Independent Director)
Mr Cheam Heng Haw	(Independent Director)

Mr Lim Tai Toon, Mr Goh Joon Lian and Mr Cheam Heng Haw do not have any existing business or professional relationship with the Group, Directors or substantial shareholders of the Company. None of the ARC members are related to other Directors or substantial shareholders of the Company.

The Board is satisfied that collectively, the ARC members have relevant accounting and related financial management expertise or experience and are appropriately qualified to discharge their responsibilities.

The ARC does not have any member who is a former partner or director of and holds any financial interest in the Company's existing audit firm.

Corporate Governance Report

The ARC meets on a quarterly basis and plays a key role in assisting the Board to review significant financial reporting issues and judgments to ensure the quality and integrity of the accounting reports, the audit procedures, internal controls, financial statements and any announcements relating to the Group's financial performance. In FY2025, the ARC held four meetings with full attendance.

The members of the ARC carry out their duties in accordance with a set of written Terms of Reference which includes the following:

1. reviewing the significant financial reporting issues and judgements so as to ensure the integrity of the financial statements of the Company and any announcements relating to the Company's financial performance;
2. reviewing at least annually the adequacy and effectiveness of the Company's internal controls and risk management systems;
3. reviewing the assurance from the CEO and the Head of Finance on the financial records and financial statements;
4. making recommendations to the Board on (i) the proposals to the shareholders on the appointment and removal of external auditors; and (ii) the remuneration and terms of engagement of the external auditors;
5. reviewing the adequacy, effectiveness, independence, scope and results of the external audit and the Company's internal audit function; and
6. reviewing the policy and arrangements for concerns about possible improprieties in financial reporting or other matters to be safely raised, independently investigated and appropriately followed up on. The Company publicly discloses, and clearly communicates to employees, the existence of a whistle-blowing policy and procedures for raising such concerns.

Apart from the duties listed above, the ARC shall, if required, commission and review the findings of internal investigations where there is any suspected fraud or irregularity, or failure of internal controls or infringement of any Singapore law, rule or regulation which has or is likely to have a material impact on the Group's operating results and/or financial position. The ARC has explicit authority to investigate any matters relating to the Group's accounting, auditing, internal controls and/or financial practices brought to its attention, full discretion to invite any Director or executive officer to attend its meetings, and reasonable resources to enable it to discharge its functions properly.

The ARC reviews, on a quarterly basis, transactions falling within the scope of its terms of reference in respect of interested person transactions. Each member of the ARC abstains from voting on any resolutions in respect of matters in which he is interested.

The ARC had reviewed and discussed with the Management for both the half-year and full year financial statements before submission to the Board for its approval. In the process, the ARC reviewed the key areas of management judgement applied for adequate provisioning and disclosure, accounting policies, key audit matters and any significant changes made which have a material impact on the financials. The external auditors also presented their salient features memorandum to the ARC, covering the audit focus areas, key audit matters findings, quality and independence.

The external auditors have unrestricted access to the ARC. The ARC meets with the external auditors without the presence of the Management, at least annually, and reviews the overall scope of the external audit and the assistance given by Management to the external auditors.

The Company's external auditors, Moore Stephens LLP ("**Moore Stephens**"), is registered with the Accounting and Corporate Regulatory Authority. The ARC is satisfied that the resources and experience of Moore Stephens, the audit engagement partner and the team assigned to the audit of the Group are adequate to meet their audit obligations, given the size, nature, operations and complexity of the Group. The Group engages Moore Stephens to audit its Singapore-incorporated subsidiaries. The Company currently does not have foreign-incorporated subsidiaries.

The ARC assesses the external auditors based on the requirements of the Catalist Rules, and reviews the nature and value of all non-audit services provided to the Group as well as other factors such as the performance and quality of its audit and the independence and objectivity of the external auditors, and recommends its appointment/re-appointment to the Board.

During FY2025, there was no non-audit related work carried out by the external auditors, hence, there was no fee paid in this respect. The audit fees paid and/or payable to Moore Stephens for FY2025 are S\$123,000. The external auditors have also confirmed their independence in this respect. Based on its review, the ARC is of the opinion that Moore Stephens is independent for the purpose of the Group's statutory audit.

Corporate Governance Report

The Company has complied with Rules 712 and 715 of the Catalist Rules in relation to the appointment of its external auditors in respect of FY2025.

The ARC and the Board have recommended the nomination of Moore Stephens for re-appointment at the Company's forthcoming AGM.

Whistle Blowing Policy

To encourage proper work ethics and eradicate any internal improprieties, unethical acts, malpractices, fraudulent acts, corruption and/or criminal activities in the Group, the Company has implemented a Whistle Blowing Policy. The policy stipulates the mechanism by which concerns about plausible improprieties may be raised. A dedicated secured e-mail address (whistleblowing@aedge.com.sg) allows whistle blowers to contact the ARC directly. The policy, its procedures and contact details of the ARC have been made available to all employees, and is also posted on the Company's website.

The policy allows not just employees but also external parties to raise concerns and offer reassurance that they will be protected from reprisals or victimisation for whistle blowing in good faith. The policy states that the Company is committed to ensure protection of the identity of the whistle blower as well as protection from detrimental or unfair treatment. The identity of the whistle blower shall be kept in strict confidence, and only made available to the ARC Chairman, or the Board Chairman, and those tasked with follow up investigations.

The ARC has the overall responsibility for the oversight and monitoring arrangements of whistle blowing matters. If necessary, the ARC shall form a committee comprising Directors, and/or senior management staff, who are identified as having no conflict of interests with the contents of the whistle blowing reports, to investigate and recommend appropriate actions. For reports relating to serious offences, and/or criminal activities in the Group, the ARC shall seek independent external advice where necessary. Where appropriate or required, a report shall be made to the relevant governmental authorities for further investigation/action.

No whistle-blowing reports were received in FY2025.

Internal Audit

The ARC's responsibilities over the Group's internal controls include reviewing the scope and effectiveness of the overall internal audit system, programmes and various aspects of internal controls and risk management are complemented by the work of the internal auditors.

BT is engaged as independent internal auditor to perform internal audit review on the various business processes of the Group. The internal audit engagement Partner is Mr. Lim Wei Wei, the Practice Leader of Governance, Risk & Sustainability Services at BT. With over 20 years of experience in corporate governance, internal audit, risk advisory, and sustainability consulting across Asia Pacific, he possesses extensive experience in leading outsourced internal audit engagements for many companies listed on Singapore and Hong Kong stock exchanges. Mr. Lim holds an MBA from the National University of Singapore and a Bachelor of Accountancy (Honours) from Nanyang Technological University, and is a Chartered Accountant (Singapore), Certified Internal Auditor (CIA), Certified Financial Services Auditor (CFSA), and Certified in Risk Management Assurance (CRMA).

The Company's internal audit function is independent of the activities it audits. BT is a professional service firm that specializes in the provision of internal audit, enterprise risk management and reporting advisory services. The firm was set up in the year 2005 and currently maintains a diverse outsourced internal audit portfolio of SGX-ST listed companies across different industries including distribution, manufacturing, services, food & beverage, trading, retail and property development industries. BT is staffed with professionals with relevant qualifications such as the Certified Internal Auditor qualification with the Institute of Internal Auditors. BT is guided by the International Standards for the Professional Practice of Internal Auditing (IIA Standards) issued by the Institute of Internal Auditors in carrying out its work.

The primary reporting line of the internal audit function is to the ARC. The ARC approves the hiring, removal, evaluation and compensation of the internal auditors. The ARC is satisfied that the internal auditors meet the requisite standards, are effective, adequately resourced, are independent and have appropriate standing within the Group.

Corporate Governance Report

The ARC ensures that Management provides good support to the internal auditors and provides them with access to documents, records, properties and personnel when requested in order for the internal auditors to carry out their work accordingly. The internal auditors also have unrestricted access to the ARC. The ARC will review internal audit reports of the Group. Any material non-compliance or failures in internal control and recommendations for improvements will be reported to the ARC.

The ARC also meets with the internal auditors without the presence of Management to discuss matters relating to the internal audits, at least on an annual basis.

SHAREHOLDER RIGHTS AND ENGAGEMENT

Shareholders Rights and Conduct of General Meetings

Principle 11: The company treats all shareholders fairly and equitably in order to enable them to exercise shareholders' rights and have the opportunity to communicate their views on matters affecting the company. The company gives shareholders a balanced and understandable assessment of its performance, position and prospects.

Engagement with Shareholders

Principle 12: The company communicates regularly with its shareholders and facilitates the participation of shareholders during general meetings and other dialogues to allow shareholders to communicate their views on various matters affecting the company.

Shareholders Rights

The Company believes in regular, effective and fair communication with shareholders and has adopted a comprehensive policy to provide clear, timely and fair disclosure of information about the Company's business developments and financial performance that could have a material impact on the price or value of its shares.

Shareholders are informed of general meetings through notices published in the Company's announcements via SGXNET and local newspaper(s), as well as through the Company's official website. Resolutions tabled at general meetings are passed through a process of voting by poll which procedures are clearly explained by the scrutineers at such general meetings.

The Constitution of the Company allows an individual shareholder to appoint not more than two proxies to attend and vote on his or her behalf at the general meetings. A member who is a relevant intermediary may appoint more than two proxies to attend, speak and vote at the shareholders' meetings, but each proxy must be appointed to exercise the rights attached to a different share or shares held by such member. Where such member's form of proxy appoints more than two proxies, the number of class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.

Conduct of General Meetings

The Company supports and encourages active shareholders' participation at general meetings. The Board believes that general meetings serve as an opportune forum for shareholders to meet and interact with the Board and KMP. Information on general meetings is disseminated through notices in the annual reports or circulars. The notices are also released via SGXNET and published in local newspapers, as well as posted on the Company's website.

The Company's Constitution allows all shareholders to appoint proxy(ies) to attend general meetings and vote on their behalf.

Voting in absentia and by mail, electronic mail or facsimile may be possible at the Directors' discretion to approve or implement, subject to the security measures as may be deemed necessary or expedient to ensure that the integrity of the information and authentication of the identities of shareholders is not compromised.

Corporate Governance Report

Separate resolutions are tabled on each substantially separate issue at general meetings unless the issues are interdependent and linked so as to form one significant proposal and if such, explanatory notes are set out in the notices of general meetings to explain the reasons and its material implications. All Directors, senior management and the external auditors will attend the general meetings, unless in cases of exigencies, to address any queries of the shareholders. Shareholders are encouraged to meet and communicate with the Board and vote on all resolutions.

The Company Secretary prepares minutes of general meetings that include substantial and relevant comments or questions from shareholders relating to the agenda of the meetings and responses from Management and the Board. The Company releases its minutes of general meetings via its corporate website and SGXNET within one month after the general meetings.

The Board acknowledges voting by poll is integral in the enhancement of corporate governance and lead to greater transparency of the level of support for each resolution where shareholders are accorded rights proportionate to the shareholding and all votes counted. To enhance shareholders' participation, the Group puts all resolutions at general meetings to vote either by manual or electronic polling, and announces the results by showing the number of votes cast for and against each resolution and the respective percentage at the general meetings. The results are also announced via SGXNET after the general meetings.

Engagement with Shareholders

The Group acknowledges the importance of regular communication with shareholders and investors through which shareholders can have an overview of the Group's performance and operation. In line with the continuous disclosure obligations under the Catalist Rules, and the Singapore Companies Act 1967, the Board has established a policy to inform shareholders promptly of all major developments that may have material impact on the Group.

The Board embraces openness and transparency in the conduct of the Group's affairs, whilst safeguarding its commercial interests. Material information on the Group has been released to the public through the Company's announcements via the SGXNET.

The Board ensures that all the Company's shareholders are treated equitably and the rights of all investors, including minority shareholders are protected. Information is communicated to shareholders on a timely basis through the Company's annual report, circulars to shareholders (if any), half-year and full year financial results and the various announcements via SGXNET.

The public can also access information on the Group directly via the Company's website at www.aedge.com.sg.

The Group strongly encourages shareholders' participation at general meetings held in Singapore. Shareholders are able to proactively engage the Board and Management on the Group's business activities, financial performance and other business related matters through dialogue sessions. The Group believes in regular, effective and fair communication with shareholders and is committed to hearing shareholders' views and addressing their concerns.

The Company does not adopt a fixed dividend rate policy, but it is committed to achieving sustainable income and growth to enhance total shareholder return. The Group aims to balance cash return to shareholders and investment for sustaining growth, while aiming for an efficient capital structure. In considering the form, frequency and amount of dividends that the Board may recommend or declare in respect of any particular year or period, the Board takes into account various factors including:

- the results of operations and cash flow;
- the expected financial performance and working capital needs;
- future prospects;
- capital expenditure and other investment plans;
- the general economic and business outlook and other factors deemed relevant by the Board; and
- statutory restrictions on the payment of dividends.

The Company has an investor relations policy which establishes the processes and practices of the Company to ensure timely, effective, unbiased and transparent communication with the investing community.

Corporate Governance Report

The Company holds question-and-answer sessions at its AGMs where shareholders can pose questions to the Board. Shareholders may also submit their questions to the Company prior to the AGM. The details are specified in the notes to the Notice of Annual General Meeting. The Company shall post the responses on its website and SGXNET. At other times of the year, shareholders may also contact the Company through the enquiry form found on the Company's corporate website.

All disclosures and announcements released via SGXNET are also available on the Company's corporate website.

MANAGING STAKEHOLDERS RELATIONSHIPS

Engagement with Stakeholders

Principle 13: The Board adopts an inclusive approach by considering and balancing the needs and interests of material stakeholders, as part of its overall responsibility to ensure that the best interests of the company are served.

The Board recognises the importance of maintaining positive stakeholder relationships, and adopts an inclusive approach in the management and engagement of the Group's stakeholders including customers, investors, regulators and employees. The Company is committed to integrating its stakeholders' concerns in its business strategies and policies. Therefore, it continuously seeks to explore effective communication channels and strengthen its relationships with stakeholders.

Further information on how the Company engages its stakeholders and its approach to material topics with reference to the Global Reporting Initiative Standards and recommendations of the Task Force on Climate-related Financial Disclosures will be detailed in the Company's Sustainability Report 2025 which will be published as a standalone report by 31 October 2025. This year will also mark our first attempt to disclose information based on the requirement of the new sustainability disclosure standards issued by the International Sustainability Standards Board.

OTHER CORPORATE GOVERNANCE MATTERS

DEALING IN SECURITIES

(Rule 1204(19) of the Catalist Rules)

The Company has adopted an internal compliance code which prohibits dealings in the securities of the Company by Directors and officers while in possession of price-sensitive information. The Company, its Directors and officers should not deal in the Company's securities on short-term considerations and are prohibited from dealing in the securities of the Company during the period beginning one month before the announcement of the half-year and full-year financial results respectively, and ending on the date of the announcement of the results.

The Company, Directors, and officers of the Group are also required to adhere to the insider trading rules stipulated in the Securities and Futures Act 2001, the Companies Act 1967, the Catalist Rules and any other relevant regulations with regard to their securities transactions.

Directors and officers of the Group are also expected to observe the insider-trading laws at all times even when dealing with securities within the permitted trading period.

INTERESTED PERSON TRANSACTIONS

(Rule 907 of the Catalist Rules)

The ARC has established procedures to ensure that all the IPTs are reported to the ARC on a timely basis and the transactions are carried out on normal commercial terms and will not be prejudicial to the interest of the Company and its minority shareholders, and all the relevant rules under Chapter 9 of the Catalist Rules are complied with. When a potential conflict of interest arises, the Director concerned does not participate in discussions and refrains from exercising any influence over other members of the Board.

The ARC reviewed the interested persons transactions ("IPTs"), if any, reported by the Management on a quarterly basis. The IPTs are consistently reviewed by Management and all findings were reported during the ARC meetings.

The Company did not obtain any general mandate from shareholders for IPTs pursuant to Rule 920 of the Catalist Rules. There were no disclosable IPTs during FY2025.

Corporate Governance Report

MATERIAL CONTRACTS

(Rule 1204(8) of the Catalist Rules)

Save for service agreements between the Company and the Executive Directors and other relevant information as disclosed in this Annual Report, there were no other material contracts of the Company and its subsidiaries involving the interests of the Executive Chairman or any Director or controlling shareholder, either subsisting at the end of the financial year or if not then subsisting, which were entered into since the end of the previous financial year.

NON-SPONSORSHIP FEES

(Rule 1204(21) of the Catalist Rules)

There were no non-sponsor fees paid to the Company's continuing sponsor, UOB Kay Hian Private Limited in FY2025.

CORPORATE DISCLOSURE

The Company believes that a high level of disclosure is essential to enhance the standard of corporate governance. Hence, the Company is committed to provide a high level of disclosure in all public announcements, press releases and annual reports.

USE OF PROCEEDS

The Company received net proceeds of \$497,000 pursuant to the proposed subscription exercise completed on 26 May 2025. As at the date of this annual report, the net proceeds has been fully utilised, as follows:

	Amount allocated S\$	Amount utilised S\$	Balance S\$
To fund the investment properties business	447,300	447,300	–
Working capital including, <i>inter alia</i> , professional fees, staff salaries and general overheads	49,700	49,700	–
Total	497,000	497,000	–

Notes to The Financial Statements

Directors' Statement

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

The directors present their statement to the members together with the audited consolidated financial statements of Aedge Group Limited (the "Company") and its subsidiaries (collectively the "Group") for the financial year ended 30 June 2025 and the statement of financial position of the Company as at 30 June 2025.

In the opinion of the directors:

- (a) the consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 June 2025 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Company will be able to pay its debts as and when they fall due as discussed in Note 3(b) to the financial statements.

1 Directors

The directors of the Company in office at the date of this statement are:

Poh Soon Keng	Executive Chairman and Chief Executive Officer
Lim Tai Toon	Lead Independent Non-Executive Director
Goh Joon Lian	Independent Non-Executive Director
Ng Choon Beng	Executive Director
Cheam Heng Haw	Independent Non-Executive Director (appointed on 7 November 2024)

2 Arrangements to Enable Directors to Acquire Shares or Debentures

Neither at the end of nor at any time during the financial year was the Company a party to any arrangement whose objects are, or one of whose objects is, to enable the directors of the Company to acquire benefits by means of the acquisition of shares in, or debentures of, the Company or any other corporate body.

3 Directors' Interests in Shares or Debentures

According to the register of directors' shareholdings kept by the Company under section 164 of the Singapore Companies Act 1967 (the "Act"), the directors of the Company who held office at the end of the financial year had no interests in the shares or debentures of the Company and its related corporations except as follows:

Name of directors	Direct interest		Deemed interest	
	At the beginning of year	At the end of year	At the beginning of year	At the end of year
The Company				
<i>No. of ordinary shares</i>				
Poh Soon Keng	6,681,820	9,161,820	67,500,000	67,500,000
Ng Choon Beng	3,409,090	3,409,090	–	–
PTCC Holdings Pte. Ltd.				
<i>No. of ordinary shares</i>				
Poh Soon Keng	26,700	26,700	26,700	26,700

The directors' interest in the ordinary shares of the Company as at 21 July 2025 were the same as those as at 30 June 2025.

Directors' Statement

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Directors' Interests in Shares or Debentures (cont'd)

By virtue of Section 7 of the Singapore Companies Act 1967, Poh Soon Keng is deemed to have an interest in the shares held by PTCC Holdings Pte. Ltd. in Aedge Group Limited and its subsidiaries.

Except as disclosed in this statement, no director who held office at the end of the financial year had interests in shares or debentures of the Company and its related corporations, either at the beginning of the financial year or at the end of the financial year.

4 Share Options

Options Granted

During the financial year, there were no share options granted to subscribe for unissued shares of the Company or any corporation in the Group.

Options Exercised

During the financial year, there were no shares issued by virtue of the exercise of options to take up unissued shares of the Company or any corporation in the Group.

Options Outstanding

As at the end of the financial year, there were no unissued shares of the Company or any corporation in the Group under option.

5 Audit and Risk Committee

The Audit and Risk Committee ("ARC") comprises the following directors at the date of this statement:

Lim Tai Toon (Chairman)
Goh Joon Lian
Cheam Heng Haw

The ARC carried out its functions in accordance with Section 201B(5) of the Singapore Companies Act 1967, the Listing Manual Section B: Rules of Catalist of the Singapore Exchange Securities Trading Limited ("SGX-ST") and the Code of Corporate Governance and assists the Board of Directors in the execution of its corporate governance responsibilities within its established terms of reference.

The duties of the ARC, amongst other things, include:

- (a) review the audit plans of the internal and external auditors of the Company, and review the internal auditors' evaluation of the adequacy of the Group's/Company's system of internal accounting controls and the assistance given by the Group's/Company's management to the external and internal auditors;
- (b) review the half yearly announcement of financial statements and annual financial statements and the auditors' report on the annual consolidated financial statements of the Company and its subsidiaries before their submission to the Board of Directors;
- (c) review the effectiveness of the Group's/Company's material internal controls, including financial, operational, compliance and information technology controls and risk management via reviews carried out by the internal auditors;
- (d) meet with the external and internal auditors, other committees, and management in separate executive sessions to discuss any matters that these groups believe should be discussed privately with the ARC;

Directors' Statement

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

5 Audit and Risk Committee (cont'd)

- (e) review legal and regulatory matters that may have a material impact on the financial statements, related compliance policies and programs and any reports received from regulators;
- (f) review the cost effectiveness and the independence and objectivity of the external auditors;
- (g) review the nature and extent of non-audit services provided by the external auditors;
- (h) recommend to the Board of Directors the external auditors to be nominated, approve the compensation of the external auditors and review the scope and results of audit;
- (i) report actions and minutes of the ARC to the Board of Directors with such recommendations as the ARC considers appropriate;
- (j) review interested person transactions in accordance with the requirements of the Listing Manual Section B: Rules of Catalist of the SGX-ST; and
- (k) undertake such other functions and duties as may be agreed to by the ARC and the Board of Directors.

The ARC has undertaken a review of the nature and extent of non-audit services provided by the external auditors, and is satisfied that there were no non-audit services rendered that would affect the independence and objectivity of the external auditors.

The ARC has recommended to the Board of Directors that the auditors, Moore Stephens LLP, be nominated for re-appointment as auditors at the forthcoming Annual General Meeting of the Company.

Further details regarding the ARC are disclosed in the Report on Corporate Governance included in the Company's Annual Report.

6 Independent Auditors

The auditors, Moore Stephens LLP, have expressed their willingness to accept re-appointment as auditors.

On behalf of the Board of Directors,

Poh Soon Keng
Director

Ng Choon Beng
Director

Singapore

9 October 2025

Independent Auditor's Report

TO THE MEMBERS OF AEDGE GROUP LIMITED (INCORPORATED IN SINGAPORE)

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Aedge Group Limited (the "Company") and its subsidiaries (collectively the "Group"), which comprise the consolidated statement of financial position of the Group and the statement of financial position of the Company as at 30 June 2025, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated statement of cash flows of the Group for the year then ended, and notes to the financial statements, including material accounting policy information.

In our opinion, the consolidated financial statements of the Group and the statement of financial position of the Company are properly drawn up in accordance with the provisions of the Companies Act 1967 (the "Act") and Singapore Financial Reporting Standards (International) ("SFRS(I)s") so as to give a true and fair view of the consolidated financial position of the Group and the financial position of the Company as at 30 June 2025 and of the consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with Singapore Standards of Auditing ("SSAs"). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Group in accordance with the Accounting and Corporate Regulatory Authority ("ACRA") *Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities* ("ACRA Code") together with the ethical requirements that are relevant to our audit of the financial statements in Singapore, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ACRA Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Independent Auditor's Report

TO THE MEMBERS OF AEDGE GROUP LIMITED (INCORPORATED IN SINGAPORE)

Report on the Audit of the Financial Statements (cont'd)

Key Audit Matters (cont'd)

Key Audit Matter	How our audit addressed the key audit matter
<p>Valuation of property, plant and equipment</p> <p>We refer to Notes 4.2(b) and 14 to the consolidated financial statements.</p> <p>As at 30 June 2025, the Group has property, plant and equipment ("PPE") amounting to S\$4,464,000 (2024: S\$5,312,000). The Group carried out a periodic review of the recoverable amounts of PPE. The Group performed impairment assessments for each of the Cash Generating Units ("CGUs") by estimating the recoverable amounts based on the value-in-use method. The estimation of the recoverable amount of the CGUs is a highly judgmental process which requires estimation of revenue growth rates, discount rates and other assumptions.</p>	<p>Our response</p> <p>We evaluated whether the CGUs were appropriately identified by management based on our understanding of the current business structure of the Group. We assessed the Group's process for identifying indicators of impairment for each of the CGUs.</p> <p>We assessed the reasonableness of the key assumptions used by management in developing the cash flow projections. This included a comparison of rate of revenue growth with historical results and expected market growth. We also performed our own assessment of the discount rate applied by management.</p> <p>Our findings</p> <p>We found the identification of the CGUs and each CGU's indicators of impairment to be reasonable and appropriate. The key assumptions used for the Group's cash flow projections appears to be within the range of historical results and are aligned with expected market growth rates. The discount rate applied is within the range of industry data.</p>
<p>Valuation of trade receivables and contract assets</p> <p>We refer to Notes 4.2(a), 20 and 5 to the consolidated financial statements.</p> <p>As at 30 June 2025, the carrying amount of the Group's trade receivables and contract assets amounted to S\$5,517,000 and S\$913,000 (2024: S\$5,099,000 and S\$1,057,000) respectively.</p> <p>The collectability of trade receivables and contract assets is a key element of the Group's working capital management, and is managed on an ongoing basis by management. The Group determines the expected credit loss ("ECL") of trade receivables by making a debtor-specific assessment of expected impairment losses for overdue trade receivables and uses a provision matrix for the remaining trade receivables and contract assets that is based on the Group's historical observed default rates, customers' ability to pay and adjusted with forward-looking information. The assessment of the correlation between historical observed default rates, forecast economic conditions and expected credit losses requires management to exercise significant judgement. Accordingly, we determined this as a key audit matter.</p>	<p>Our response</p> <p>We obtained an understanding of the credit policy of the Group and evaluated the process for monitoring of trade receivables and contract assets.</p> <p>We reviewed the Group's control over the receivables collection processes, analysed the aging of trade receivables and reviewed the Group's loss allowance against trade receivables and contract assets and its disclosures about the degree of estimation involved in arriving at the expected credit loss.</p> <p>Our findings</p> <p>We found the estimates used by management in deriving the expected credit loss model and impairment provision adequate.</p>

Independent Auditor's Report

TO THE MEMBERS OF AEDGE GROUP LIMITED (INCORPORATED IN SINGAPORE)

Report on the Audit of the Financial Statements (cont'd)

Key Audit Matters (cont'd)

Other Information

Management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Directors for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Act and SFRS(I)s, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The directors' responsibilities include overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SSAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Report on the Audit of the Financial Statements (cont'd)

Auditor's Responsibilities for the Audit of the Financial Statements (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Plan and perform the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with the directors, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

In our opinion, the accounting and other records required by the Act to be kept by the Company and by those subsidiary corporations incorporated in Singapore of which we are the auditors have been properly kept in accordance with the provisions of the Act.

The engagement partner on the audit resulting in this independent auditor's report is Mr. Neo Keng Jin.

* Other changes include additional lease liabilities in relation to the purchased motor vehicles amounting to S\$355,000 (2024: S\$180,000) and the additional and termination of office lease agreements amounting to S\$76,000 and S\$ NIL (2024: S\$75,000 and S\$60,000) and accretion of interest amounting to S\$27,000 (2024: S\$32,000).

B Significant non-cash transaction

During the year ended 30 June 2025, the Group purchased property, plant and equipment amounting to S\$962,000 (2024: S\$624,000) of which S\$431,000 (2024: S\$255,000) were acquired under lease arrangements.

The accompanying notes form an integral part of the financial statements

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

These notes form an integral part of and should be read in conjunction with the consolidated financial statements:

1 General Information

Aedge Group Limited (the “Company”) is a company incorporated and domiciled in the Republic of Singapore on 3 October 2019 and is listed on the Catalist of the Singapore Exchange Securities Trading Limited (“SGX-ST”). The address of the Company’s registered office and principal place of business is Block 4009 Ang Mo Kio Avenue 10, Tech Place 1, #04-33, Singapore 569738.

The immediate and ultimate holding company is PTCC Holdings Pte. Ltd., a company incorporated in the Republic of Singapore. The ultimate controlling parties of the Group are Mr. Poh Soon Keng and Ms. Tan Siew Lan.

The principal activities of the Company are those of investment holding. The principal activities of the subsidiaries are described in Note 16.

The consolidated financial statements of the Group and statement of financial position of the Company for the financial year ended 30 June 2025 were approved and authorised for issue in accordance with a resolution of the directors on the date of the Directors’ Statement.

2 Application of Singapore Financial Reporting Standards (International) (“SFRS(I)s”)

(a) Adoption of Revised Standards

On 1 July 2024, the Group has adopted the amended SFRS(I) and interpretations of SFRS(I) (“INT SFRS(I)”) that are mandatory for application in the financial year. Changes to the Group’s accounting policies have been made as required, in accordance with the transitional provisions in the Respective SFRS(I) and INT SFRS (I).

The adoption of these amended SFRS(I) and INT SFRS (I) did not result in substantial changes to the Group’s accounting policies and had no material effect on the amounts reported for the current or prior financial years.

(b) Revised Standards Issued but Not Yet Effective

At the date of authorisation of these financial statements, the Group has not adopted the following revised standards that have been issued and are relevant to the Group but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to SFRS(I) 1-21 <i>The Effects of Changes in Foreign Exchange Rates: Lack of Exchangeability</i>	1 January 2025
Amendments to SFRS(I) 9 and SFRS(I) 7 <i>The Classification and Measurement of Financial Instruments</i>	1 January 2026
<i>Annual Improvement to SFRS(I)s - Volume 11</i>	1 January 2026
Amendments to SFRS(I) 9 and SFRS(I) 7 <i>Contracts Referencing Nature-dependent Electricity</i>	1 January 2026
SFRS(I) 18 <i>Presentation and Disclosures in Financial Statements</i>	1 January 2027
SFRS(I) 19 <i>Subsidiaries without Public Accountability: Disclosures</i>	1 January 2027
Amendments to SFRS(I) 10 and SFRS(I) 1-28 <i>Investments in Associates and Joint Ventures – Sale or Contribution of Assets between an Investor and its Associate or Joint Venture</i>	Deferred indefinitely, early application is still permitted

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

2 Application of Singapore Financial Reporting Standards (International) (“SFRS(I)s”) (cont’d)

- (b) Revised Standards Issued but Not Yet Effective (cont’d)

SFRS(I) 18: Presentation and Disclosure in Financial Statements

This standard will replace SFRS(I)1-1 Presentation of Financial Statements. Whilst many of the requirements will remain consistent, the new standard will have impacts on the presentation of the Consolidated Statement of Profit and Loss and consequential impacts on the Consolidated Statement of Cash Flows. It will also require the disclosure of the non-SFRS(I) management performance measures and may impact the level of aggregation and disaggregation throughout the primary financial statements and the notes. An entity is required to apply the amendments to SFRS(I) 1-1 for annual reporting periods beginning on or after 1 January 2027. Earlier application is permitted. SFRS(I) 18 requires retrospective application with specific transition provisions.

Other than the above, the Directors do not expect any material impact from the application of these standards.

3 Material Accounting Policies

- (a) Basis of Preparation

The consolidated financial statements of the Group and the statement of financial position of the Company have been prepared in accordance with the provisions of the Companies Act 1967 and SFRS(I)s. All financial information presented in Singapore dollars have been rounded to the nearest thousand, unless otherwise stated. The financial statements have been prepared on the historical cost basis except as disclosed in the accounting policies below.

- (b) Going Concern Assumption

The Group incurred a net loss and total comprehensive loss for the financial year of S\$891,000 (2024: S\$593,000). As at 30 June 2025, the Group has net current liabilities of S\$220,000 (2024: net current asset of S\$4,470,000). These conditions indicate the existence of an uncertainty which may cast doubt about the Group’s ability to continue as a going concern.

Notwithstanding the above, the financial statements of the Group have been prepared on a going concern basis as the immediate and ultimate holding company, PTCC Holdings Pte Ltd (“PTCC”) has undertaken to provide continuing financial support to the Group as and when necessary, and not to seek or demand immediate repayment from the Group of any funds which they have made indirectly to the Group to meet its obligations as and when they fall due, until the Group has the funds to do so, to enable the Group to meet its obligations as and when they fall due until at least one year from the date of the financial statements.

- (c) Basis of Consolidation

The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at the end of the reporting period. The financial statements of the subsidiaries used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiaries are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary are attributed to the non-controlling interest even if that results in a deficit balance.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(c) Basis of Consolidation (cont'd)

The Group applies the acquisition method to account for business combinations when the acquired set of activities and assets meets the definition of a business and control is transferred to the Group. In determining whether an integrated set of activities and assets is a business, the Group assesses whether the set of assets and activities acquired includes, at a minimum, an input and substantive process that together significantly contribute to the ability to create output. A business can exist without including all of the inputs and processes needed to create output. The Group has an option to apply a 'fair value concentration test' that permits a simplified assessment of whether an acquired set of activities and assets is not a business. The concentration test can be applied on a transaction-by-transaction basis. The optional concentration test is met if substantially all of the fair value of the gross assets acquired is concentrated in a single identifiable asset or group of similar identifiable assets. If the test is met, the set of activities and assets is determined not to be a business and no further assessment is needed. If the test is not met, or if the Group elects not to apply the test, a detailed assessment must be performed applying the normal requirements in SFRS(I) 3.

(d) Foreign Currency

i. Functional and presentation currency

The financial statements are presented in Singapore dollars ("S\$"), which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

ii. Transactions and balances

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiaries and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

(e) Investments in Subsidiaries

Investments in subsidiaries are carried at cost less accumulated impairment losses in the statement of financial position of the Company.

On disposal of investments in subsidiaries, the difference between the net disposal proceeds and the carrying amount of the investments are recognised in profit or loss.

(f) Revenue Recognition

Revenue is measured based on the consideration to which the Group expects to be entitled in a contract with a customer and excludes amounts collected on behalf of third parties. The Group recognises revenue when it transfers control of a product or service to a customer.

Revenue is recognised when the Group satisfies a performance obligation by transferring a promised good or service to the customer, which is when the customer obtains control of the good or service.

A performance obligation may be satisfied at a point in time or over time. The amount of revenue recognised is the amount allocated to the satisfied performance obligation.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(f) Revenue Recognition (cont'd)

Engineering services, transport services and security and manpower services

Revenue from sale of goods and services in the ordinary course of business is recognised when the Group satisfies a performance obligation ("PO") by transferring control of a promised good or service to the customer. The amount of revenue recognised is the amount of the transaction price allocated to the satisfied PO.

The transaction price is allocated to each PO in the contract on the basis of the relative stand-alone selling prices of the promised goods or services. The individual standalone selling price of a service that has not previously been sold on a stand-alone basis, or has a highly variable selling price, is determined based on the residual portion of the transaction price after allocation of the transaction price to services with observable stand-alone selling prices. A discount or variable consideration is allocated to one or more, but not all of the POs if it relates to those POs.

Transaction price is the amount of consideration in the contract to which the Group expects to be entitled in exchange for transferring the promised good or services. The transaction price may be fixed or variable and is adjusted for the time value of money if the contract includes a significant financing component. Consideration payable to a customer is deducted from the transaction price if the Group does not receive a separate identifiable benefit from the customer. When consideration is variable, the estimated amount is included in the transaction price to the extent that it is highly probable that a significant reversal of the cumulative revenue will not occur when the uncertainty associated with the variable consideration is resolved.

Revenue may be recognised at a point in time or over time following the timing of satisfaction of the PO. If a PO is satisfied over time, revenue is recognised based on the percentage of completion reflecting the progress towards the satisfactory completion of that PO.

Investment properties leasing

Rental income from investment properties is recognised on a straight-line basis over the lease term.

The nature and timing of satisfaction of performance obligation in contracts or leases with customers, including significant payment terms, and the related revenue recognition policies are disclosed in Note 5.

(g) Government Grants

Grants from the government are recognised as a receivable at their fair value when there is reasonable assurance that the Group will comply with the conditions attaching to them and that the grants will be received. Government grants receivable are recognised as income over the periods necessary to match them with the related costs which they are intended to compensate, on a systematic basis. Government grants relating to expenses are shown separately under other income in profit or loss.

(h) Leases

When the Group is the lessee

At the inception of the contract, the Group assesses if the contract contains a lease. A contract contains a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Reassessment is only required when the terms and conditions of the contract are changed.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(h) Leases (cont'd)

When the Group is the lessee (cont'd)

The Group recognises right-of-use assets and lease liabilities at the date which the underlying assets become available for use. Right-of-use assets are measured at cost, which comprises the initial measurement of lease liabilities adjusted for any lease payments made at or before the commencement dates, plus any initial direct costs incurred and an estimate of restoration costs, less any lease incentives received. Any initial direct costs that would not have been incurred if the lease had not been obtained are added to the carrying amount of the right-of-use assets.

Right-of-use assets are subsequently depreciated using the straight-line method from the commencement dates to the earlier of the end of the useful lives of the right-of-use assets or the end of the lease terms. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment. In addition, the right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the corresponding lease liabilities. The Group presents its right-of-use assets in "Property, plant and equipment" and lease liabilities as separate line items in the consolidated statement of financial position.

The initial measurement of lease liabilities is measured at the present value of the lease payments discounted using the implicit rate in the lease, if the rate can be readily determined. If that rate cannot be readily determined, the Group uses its incremental borrowing rate.

Lease payments included in the measurement of the lease liabilities comprise the following:

- Fixed payments (including in-substance fixed payments), less any lease incentives receivables;
- Variable lease payments that are based on an index or rate, initially measured using the index or rate as at the commencement date;
- Amounts expected to be payable under residual value guarantees;
- The exercise price of a purchase option if it is reasonably certain to exercise the option; and
- Payment of penalties for terminating the lease, if the lease term reflects the Group exercising that option.

For contracts that contain both lease and non-lease components, the Group allocates the consideration to each lease component on the basis of the relative stand-alone price of the lease and non-lease components. The Group has elected not to separate lease and non-lease components for property leases; instead they are accounted for as one single lease component.

Lease liabilities are measured at amortised cost, and are remeasured when:

- There is a change in future lease payments arising from changes in an index or rate;
- There is a change in the Group's assessment of whether it will exercise lease extension and termination options;
- There is a change in the Group's estimate of the amount expected to be payable under a residual value guarantee; or
- There is a modification to the lease term.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(h) Leases (cont'd)

When the Group is the lessee (cont'd)

When lease liabilities are remeasured, corresponding adjustments are made against the right-of-use assets. If the carrying amounts of the right-of-use assets have been reduced to zero, the adjustments are recorded in profit or loss. The Group has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have lease terms of 12 months or less, as well as leases of low value assets, except in the case of sub-lease arrangements. Lease payments relating to these leases are expensed to profit or loss on a straight-line basis over the lease term.

Variable lease payments that are based on an index or a rate are included in the measurement of the corresponding right-of-use assets and lease liabilities. Other variable lease payments are recognised in profit or loss when incurred.

(i) Borrowing Costs

All borrowing costs are recognised in profit or loss using the effective interest method in the period in which they are incurred.

(j) Employee Benefits

Employee benefits are recognised as an expense, unless the cost qualifies to be capitalised as an asset.

i. Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Group pays fixed contributions into separate entities such as the Central Provident Fund on a mandatory, contractual or voluntary basis. The Group has no further payment obligations once the contributions have been paid.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

ii. Employee leave entitlement and other short-term employee benefits

Employee leave entitlements and other short-term employee benefit obligations are measured on an undiscounted basis and are expensed as the related service is provided. A liability is recognised for the amount expected to be paid under accrued salaries and wages if the Group has a present legal or constructive obligation to pay this amount as a result of past service provided by the employee, and the obligation can be estimated reliably.

(k) Income Tax

Income tax expense represents the sum of the tax currently payable and deferred tax.

i. Current tax

Current income tax for current and prior periods is recognised at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by reporting date. The Group periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(k) Income Tax (cont'd)

ii. *Deferred tax*

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised.

Such deferred tax assets and liabilities are not recognised if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

Deferred tax liabilities are recognised for taxable temporary differences associated with investments in subsidiaries, except where the Group is able to control the reversal of the temporary difference and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax assets arising from deductible temporary differences associated with such investments and interests are only recognised to the extent that it is probable that there will be sufficient taxable profits against which to utilise the benefits of the temporary differences and they are expected to reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date. The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Group expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Group intends to settle its current tax assets and liabilities on a net basis.

The Group recognises a previously unrecognised deferred tax asset to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be recovered.

iii. *Current and deferred tax for the period*

Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively. Where the current and deferred tax arises from the initial accounting for a business combination, the tax effect is taken into account in the accounting for the business combination.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(l) Property, Plant and Equipment

i. Measurement

All items of property, plant and equipment are initially recognised at cost and subsequently carried at cost less accumulated depreciation and accumulated impairment losses.

The cost includes its purchase price and any costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management. Dismantlement, removal or restoration costs are included as part of the cost if the obligation for dismantlement, removal or restoration is incurred as a consequence of acquiring or using the property, plant and equipment.

ii. Depreciation

Depreciation is recognised so as to write off the cost less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at each year end, with the effect of any changes in estimate accounted for on a prospective basis.

The following useful lives are used in the calculation of depreciation:

Office and storage space	2 - 3 years
Fixtures and fittings	5 years
Computers	1 - 4 years
Office equipment	5 years
Motor vehicles	5 - 10 years
Machinery and equipment	5 years
Scaffold equipment	10 years
Insulation equipment	10 years
Renovation	3 - 10 years or over leased period, whichever is shorter

The carrying amounts of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual value, useful life and depreciation method are reviewed at each financial year and adjusted as appropriate at each reporting date. The effects of any revision are recognised in profit or loss when the changes arise.

iii. Subsequent expenditure

Subsequent expenditure related to property, plant and equipment that has been recognised is added to the carrying amount of the asset only when it is probable that future economic benefits associated with the item will flow to the Group and the cost can be measured reliably. The carrying amount of the replaced component is derecognised. All other repairs and maintenance expenses are recognised in profit or loss when incurred.

iv. Disposal

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal.

The gain or loss arising on disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(m) Impairment of Non-financial Assets

Finite intangible assets, property, plant and equipment, investment properties and investments in subsidiaries

Non-financial assets other than inventories are tested for impairment whenever there is any objective evidence or indication that these assets may be impaired.

At the end of each reporting period, the Group reviews the carrying amounts of its non-financial assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any), on an individual asset.

Where it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating-unit ("CGU") to which the asset belongs. Where a reasonable and consistent basis of allocation can be identified, corporate assets are also allocated to individual CGUs, or otherwise they are allocated to the smallest group of CGUs for which a reasonable and consistent allocation basis can be identified.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount.

The difference between the carrying amount and recoverable amount is recognised as an impairment loss in profit or loss. An assessment is made at each reporting date as to whether there is any indication that previously recognised impairment losses may no longer exist or may have decreased.

Where an impairment loss subsequently reverses, the carrying amount of the asset (or CGU) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in profit or loss.

(n) Investment Properties

Investment properties comprise significant portions of leasehold properties that are held for long-term rental yields and/or for capital appreciation. Investment properties are measured initially at cost, including transaction costs, and subsequently carried at cost less accumulated depreciation and any impairment loss. The carrying amount includes the cost of replacing part of the existing investment properties at the time that cost is incurred if the recognition criteria are met; and excludes the costs of day-to-day servicing of the investment properties. Depreciation is calculated on a straight-line basis over a period of 11 to 12 years.

The residual values, useful lives and depreciation method of the investment properties are reviewed, and adjusted as appropriate, at each balance sheet date. The effects of any revision are included in profit or loss when the changes arise. Investment properties are derecognised when either they have been disposed of or permanently withdrawn from use and no future economic benefit is expected from their disposal. Any gain or loss on the retirement or disposal of an investment property is recognised in profit or loss in the year of retirement or disposal.

When the cost model is applied, the fair value of the investment properties are disclosed at each reporting date.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(o) Intangible Assets

i. Measurement

Intangible assets that are acquired by the Group and have finite useful lives are measured at cost less accumulated amortisation and accumulated impairment losses.

ii. Depreciation

Intangible assets with finite useful lives are amortised over the estimated useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation period and the amortisation method are reviewed at least once at each financial year end.

The following useful lives are used in the calculation of amortisation:

Customer relationships	7 years
------------------------	---------

Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset is accounted for by changing the amortisation period or method, as appropriate, and are treated as changes in accounting estimates.

The amortisation expense on intangible assets with finite lives is recognised in profit or loss in the expense category consistent with the function of the intangible asset.

iii. Subsequent expenditure

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure is recognised in profit or loss as incurred.

iv. Disposal

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the profit or loss when the asset is derecognised.

(p) Inventories

Inventories are stated at the lower of cost and net realisable value. Cost is determined using the first-in-first-out method. Cost comprises the purchase price, including transport and handling costs, and other directly attributable costs of acquisition.

Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and estimated costs necessary to make the sale.

(q) Cash and Cash Equivalents

Cash and cash equivalents comprise cash on hand, fixed deposits and bank balances which are subject to an insignificant risk of change in value. For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents consist of cash and cash equivalents as defined above less pledged fixed deposits.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(r) Share Capital

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are charged to equity, net of any tax effects. Income tax relating to transaction costs of an equity transaction is accounted for in accordance with SFRS(I) 1-12 *Income taxes*.

(s) Financial Assets

i. Classification

Debt instruments

Financial assets that are debt instruments comprise mainly of cash and cash equivalents, trade and other receivables and contract assets. The Group classifies these assets into categories based on the Group's business model for managing them and their contractual cash flow characteristics.

- Financial Assets measured at Amortised Cost (AC) comprise of assets that are held within a business model whose objective is to hold those assets for collection of contractual cash flows, and those contractual cash flows represent solely payments of principal and interest.
- Financial Assets measured at Fair Value through Other Comprehensive Income (FVOCI) comprise of assets that are held within a business model whose objective is achieved by both collecting contractual cash flows and selling those assets, and those contractual cash flows represent solely payments of principal and interest.
- Financial Assets measured at Fair Value through Profit and Loss (FVPL) comprise of assets that do not qualify for AC and FVOCI. Assets that would otherwise qualify for AC or FVOCI may also be designated as FVPL upon initial recognition, if such designation eliminates or significantly reduces a measurement or recognition inconsistency that arises from measuring assets and liabilities on an inconsistent basis.

Equity instruments

Financial assets that are equity instruments comprise mainly of investments in equity securities. The Group classifies these assets as FVPL, except for those that the Group has designated as FVOCI. The FVOCI designation is irrevocable, and is not permitted for held-for-trading financial assets and financial assets that represent contingent consideration in a business combination.

A financial asset is held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the Group manages together and has evidence of a recent actual pattern of short-term profit-taking; or
- it is a derivative (except for a derivative that is a financial guarantee contract or a designated and effective hedging instrument).

ii. Initial measurement

Trade receivables that do not contain a significant financing component are initially recognised at their transaction price. Other financial assets are initially recognised at fair value, plus, for financial assets that are not at FVPL, transaction costs that are directly attributable to their acquisition.

Transaction costs of financial assets at FVPL are expensed in profit and loss.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(s) Financial Assets (cont'd)

iii. *Subsequent measurement*

Amortised Cost

These assets are subsequently measured at amortised cost using the effective interest method unless they are part of a designated hedging relationship. Impairment losses and reversals, interest income, and foreign exchange gains and losses (except where designated as a hedging instrument) on such assets are recognised in profit and loss. Interest income is based on the effective interest method which allocates interest income over the life of the financial asset based on an effective interest rate that discounts estimated future cash receipts to its gross carrying amount.

FVOCI

These assets are subsequently measured at fair value. Impairment losses and reversals, interest income based on the effective interest method, and foreign exchange gains and losses (except where designated as a hedging instrument) on such assets are recognised in profit and loss. Any remaining fair value movements are recorded in other comprehensive income.

FVPL

These assets are subsequently measured at fair value. All fair value movements are recorded in profit and loss.

iv. *Impairment*

At each reporting date, the Group assesses expected credit losses (ECL) on the following financial instruments:

- Financial assets that are debt instruments measured at AC and FVOCI;
- Contract assets (as defined in SFRS(I) 15); and
- Financial guarantee contracts.

ECL is a probability-weighted estimate of credit losses. Credit losses are measured at the present value of all shortfalls between the cash flows due to the Group in accordance with contractual terms, and the cash flows that the Group actually expects to receive. ECL is discounted at the effective interest rate of the financial asset. The Group records allowances on financial assets based on either the:

- 12-month ECL - representing the ECL that results from default events that are possible within the 12 months after the reporting date (or the expected life of the instrument if shorter); or
- Lifetime ECL - representing the ECL that results from all possible default events over the expected life of the contract.

Simplified approach - Trade receivables and contract assets

For all trade receivables and contract assets, the Group adopts a simplified approach whereby an allowance for lifetime ECL is assessed upon initial recognition. The Group estimates lifetime ECL using a provision matrix based on historical credit loss experience, adjusted for various factors including debtor-specific factors, forward-looking information such as industry and economic forecasts, and others as appropriate.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(s) Financial Assets (cont'd)

iv. *Impairment* (cont'd)

General approach - All other financial instruments on which ECL assessment is required

For all other financial instruments on which ECL is assessed, an allowance for 12-month ECL is recorded upon initial recognition. The allowance is increased to lifetime ECL if the credit risk at each reporting date has increased significantly as compared to the credit risk at initial recognition. In assessing whether the credit risk of a financial instrument has increased significantly since initial recognition, the Group considers all reasonable and supportable information that is relevant and available without undue cost or effort including both historical credit experience and forward-looking information.

The Group regards the following as events of default:

- Events that make it unlikely for the borrower to repay in full unless the Group undertakes actions to recover the asset (e.g. by exercising rights over collaterals or other credit enhancements); or
- The financial instrument has become overdue in excess of 1 year.

Credit-impaired financial instruments

At each reporting date, the Group assesses whether a financial instrument on which ECL assessment is required has become credit-impaired. This is the case when one or more events have occurred that are considered to be detrimental to the estimated future cash flows of the instrument. Evidence that a financial asset is credit-impaired includes observable data about the following events:

- significant financial difficulty of the borrower;
- a breach of contract such as a default or past due event;
- other lenders granting concessions (such as loan restructurings) to the borrower due to economic or contractual reasons, that would not have been considered in the absence of the borrower's financial difficulty;
- increasing likelihood that the borrower will enter bankruptcy or other financial re-organisation; and
- the disappearance of an active market for the borrower's securities due to financial difficulties.

For credit-impaired financial assets, interest income is determined by applying the effective interest rate to the net carrying amount of the financial asset (after deduction of the ECL allowance).

Write-off policy

The Group writes off a financial asset when there is information indicating that the counterparty is in severe financial difficulty and there is no realistic prospect of recovery, such as when the counterparty has been placed under liquidation or has entered into bankruptcy proceedings. Financial assets written off may still be subject to enforcement activities under the Group's recovery procedures, taking into account legal advice where appropriate. Any recoveries made are recognised in profit and loss.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(s) Financial Assets (cont'd)

v. *Recognition and derecognition*

Financial assets are recognised when, and only when the Group becomes a party to its contractual provisions. All regular way purchases and sales of financial assets are recognised on trade-date, which is the date on which the Group commits to purchase or sell the financial asset.

The Group derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party. If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, the Group recognises its retained interest in the asset and an associated liability for amounts it may have to pay. If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, the Group continues to recognise the financial asset and also recognises a collateralised borrowing for the proceeds received.

On derecognition of a financial asset that is a debt instrument, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit and loss. In addition, for a financial asset that is a debt instrument at FVOCI, the cumulative gain or loss previously accumulated in the fair value adjustment reserve is reclassified to profit and loss.

On derecognition of an equity investment at FVPL, the difference between the asset's carrying amount and the sum of the consideration received and receivable is recognised in profit and loss. For equity investments at FVOCI, this difference is instead recognised directly in equity as part of retained earnings. Cumulative gains and losses previously accumulated in equity are also transferred directly to retained earnings upon derecognition of FVOCI equity investments.

(t) Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost.

(u) Financial Liabilities

i. *Recognition*

The Group recognises financial liabilities on its statement of financial position when, and only when, the Group becomes a party to the contractual provisions of the instruments.

Financial liabilities are recognised initially at fair value plus transaction costs that are directly attributable to the acquisition or issue of the financial liability. All financial liabilities are subsequently measured at amortised cost using the effective interest method.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(u) Financial Liabilities (cont'd)

i. Recognition (cont'd)

Borrowings are initially recognised at fair value (net of transaction costs) and subsequently carried at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognised in profit or loss over the period of the borrowings using the effective interest method. Borrowings are presented as current liabilities unless the Group has an unconditional right to defer settlement for at least twelve months after the reporting period.

ii. Derecognition

The Group derecognises financial liabilities when, and only when, the Group's obligations are discharged, cancelled or they have expired. The difference between the carrying amount of a financial liability that has been derecognised and the consideration paid and payable (including any non-cash assets transferred or liabilities assumed) is recognised in profit or loss.

(v) Financial Guarantees

Financial guarantees in the separate financial statements

The Company has issued corporate guarantees to banks for bank borrowings of its subsidiaries. These guarantees are financial guarantees as they require the Company to reimburse the banks if the subsidiaries fail to make principal or interest payments when due in accordance with the terms of the bank borrowings. Intra-group transactions are eliminated on consolidation.

Financial guarantees are measured initially at their fair values plus transaction costs and subsequently measured at the higher of:

- the amount initially recognised less, where appropriate, cumulative amount of income recognised in accordance with the principles of SFRS(I) 15; and
- the amount of loss allowance determined in accordance with expected credit loss model under SFRS(I) 9.

(w) Earnings Per Share

The Group presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted-average number of ordinary shares outstanding during the year, adjusted for own shares held. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted-average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares, which comprise convertible notes and share options granted to employees.

(x) Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the executive management whose members are responsible for allocating resources and assessing performance of the operating segments.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

3 Material Accounting Policies (cont'd)

(y) Related Parties

A related party is defined as follows:

A related party is a person or entity that is related to the entity that is preparing its financial statements (in this Standard referred to as the "reporting entity").

- a. A person or a close member of that person's family is related to a reporting entity if that person:
 - i. has control or joint control over the reporting entity;
 - ii. has significant influence over the reporting entity; or
 - iii. is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.
- b. An entity is related to a reporting entity if any of the following conditions applies:
 - i. the entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others);
 - ii. one entity is an associate or joint venture of the other entity (or an associate or joint venture of a member of a group of which the other entity is a member);
 - iii. both entities are joint ventures of the same third party;
 - iv. one entity is a joint venture of a third entity and the other entity is an associate of the third entity;
 - v. the entity is a post-employment benefit plan for the benefit of employees of either the reporting entity or an entity related to the reporting entity. If the reporting entity is itself such a plan, the sponsoring employers are also related to the reporting entity;
 - vi. the entity is controlled or jointly controlled by a person identified in (a);
 - vii. a person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity); or
 - viii. the entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

4 Critical Accounting Judgements and Key Sources of Estimation Uncertainty

In the application of the Group's accounting policies, which are described in Note 3 above, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

4.1 Critical judgements in applying the accounting policies

Management is of the opinion that in the preparation of the financial statements there are no critical judgements made in the process of applying the Group's accounting policies that have a significant effect on the amounts recognised in the financial statements.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

4 Critical Accounting Judgements and Key Sources of Estimation Uncertainty (cont'd)

4.2 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

(a) Allowance for expected credit losses of trade receivables and contract assets

The Group determines ECLs and impairment of trade receivables by making debtor-specific assessments of expected impairment loss for long overdue trade receivables, and by using a provision matrix for the remaining trade receivables and contract assets.

The provision matrix is based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At each reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and forecast economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer actual default in the future. The information about the ECLs on the Group's trade receivables and contract assets is disclosed in Note 20 and Note 5 respectively to the financial statements.

(b) Impairment of property, plant and equipment

Property, plant and equipment are reviewed for impairment whenever there is any indication that the assets may be impaired. If any such indication exists, an impairment assessment will be performed accordingly. The recoverable amount of an asset or group of assets is assessed as the higher of its fair value less costs of disposal and its value in use.

Management has concluded that there was no impairment in respect of the property, plant and equipment at the reporting date. The carrying amount of the Group's property, plant and equipment is disclosed in Note 14.

(c) Impairment of investment in subsidiaries

Investment in subsidiaries is reviewed for impairment whenever there is any indication that the investments may be impaired. If any such indication exists, an impairment assessment will be performed accordingly. The recoverable amount of the investment is assessed as the higher of its fair value less costs of disposal and its value in use.

The carrying amounts of the investment in subsidiaries and its related allowances for impairment losses are disclosed in Note 16.

(d) Impairment of investment properties

Investment properties are reviewed for impairment whenever there is any indication that the properties may be impaired. An impairment exists when the carrying amount of the property exceeds its recoverable amount, which is determined as the higher of its fair value less costs of disposal and its value in use.

In performing this assessment, management considered external and internal factors and evaluated the fair value of the investment properties based on independent professional valuations.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

4 Critical Accounting Judgements and Key Sources of Estimation Uncertainty (cont'd)

4.2 Key sources of estimation uncertainty (cont'd)

(d) Impairment of investment properties (cont'd)

Management has concluded that there was no impairment in respect of the investment properties at the reporting date. The carrying amount of the Group's investment properties are disclosed in Note 17.

(e) Allowance for slow-moving and obsolete inventories

A review of the realisable value of the inventories is performed periodically for slow-moving, obsolete, and inventories which have declined in net realisable value below cost. An allowance is recorded against the inventory balance for any such declines. These reviews require management to estimate future market demand for the products, pricing competition, environmental regulation requirements and age of the inventories. Possible changes in these estimates could result in revisions to the valuation of inventories.

During the financial year, the Group has written down slow-moving inventories by S\$205,000 to their estimated net realisable value.

The carrying amount of the Group's inventories at the end of the reporting period is disclosed in Note 19 to the financial statements.

5 Revenue

(a) Disaggregation of revenue

The Group's revenue is disaggregated by major products, service lines and timing of revenue recognition as follows:

	Group	
	2025	2024
	S\$'000	S\$'000
<hr/>		
<u>Revenue from contracts with customers</u>		
- Engineering services	7,890	8,576
- Transportation services	5,547	4,787
- Security and manpower services	13,100	10,544
	26,537	23,907
<u>Revenue from leases with customers - Investment properties leasing</u>	1,504	-
	28,041	23,907
<hr/>		
<u>Major products or service lines</u>		
- Rendering of services	26,251	23,277
- Sale of goods	286	630
	26,537	23,907
- Leases of investment properties	1,504	-
	28,041	23,907
<hr/>		
<u>Timing of revenue recognition</u>		
- Over time (as services are rendered)	26,251	23,277
- Over time (straight-line basis)	1,504	-
- At a point in time	286	630
	28,041	23,907
<hr/>		

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

5 Revenue (cont'd)

(a) Disaggregation of revenue (cont'd)

The following table provides information about the nature and timing of the satisfaction of performance obligations in contracts or leases with customers, including significant payment terms, and the related revenue recognition policies:

Engineering services

Nature of goods and services	Provision of workers on a contract or ad-hoc basis for engineering services. Sale and installation of scaffolding equipment, insulation and passive fire protection systems.
When revenue is recognised	Revenue from the rendering of services is recognised over time based on the percentage of completion reflecting the progress towards complete satisfaction of that performance obligation. Revenue from the sales of goods is recognised at a point in time as the goods are delivered to the customer.
Significant payment terms	Invoices are payable within 30 days.

Transport services

Nature of goods and services	Provision of bus services for public premium service routes, schools, corporates and ad hoc charters.
When revenue is recognised	For public bus transport, revenue is recognised at the end of the ride. For other transport services, revenue is recognised over the term of the contract.
Significant payment terms	For public bus transport, payment is at the start of each ride. For other transport services, invoices are payable within 30 days.

Security and manpower services

Nature of goods and services	Provision of security services, cleaning services and manpower staffing for aviation and other technicians.
When revenue is recognised	Revenue from the rendering of services is recognised over time based on the percentage of completion reflecting the progress towards complete satisfaction of that performance obligation.
Significant payment terms	Invoices are payable within 30 days.

Investment properties leasing

Nature of goods and services	The investment properties are primarily leased to tenants for commercial and office use.
When revenue is recognised	Rental income is recognised on a straight-line basis over the lease term.
Significant payment terms	Rental income is billed monthly and is payable immediately upon receipt of the invoice.

The Group does not disaggregate the revenue further as the above are generated in the Singapore market.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

5 Revenue (cont'd)

(b) Contract balances

	Group 30 June	
	2025 S\$'000	2024 S\$'000
Contract assets	913	1,057

Contract assets represent the Group's rights to consideration for work completed but not billed at the reporting date. The contract assets are transferred to trade receivables when the rights become unconditional. This usually occurs when invoices are billed to the customer.

Significant changes in contract assets balances during the financial year are disclosed as follows:

	Group	
	2025 S\$'000	2024 S\$'000
<u>Contract assets</u>		
As at 1 July	1,057	1,510
Contract assets reclassified to trade receivables	(1,057)	(1,510)
Additional work completed but not billed	913	1,057
As at 30 June	913	1,057

Management estimates the loss allowance on contract assets at an amount equal to lifetime ECL. None of the contract assets at the end of the reporting period is past due. There has been no change in the estimation techniques or significant assumptions made during the current reporting period in assessing the impairment loss on contract assets.

The Group's credit risk exposure in relation to contract assets are set out in the provision matrix as presented below. The Group's loss allowance is based on past due as the Group's historical credit loss experience does not show significantly different loss patterns for different customer segments.

	Group	
	2025 S\$'000	2024 S\$'000
Expected credit loss rate	*	*

Under provision of deferred tax in prior years	70	–
Over provision of tax expense in prior years	(8)	–
	91	(5)

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

13 Loss per Share, Basic and Diluted

Basic loss per share is calculated by dividing the net loss attributable to equity holders of the Company by the weighted average number of ordinary shares outstanding during the financial year.

The loss and weighted number of ordinary shares used in the calculation of basic loss per share are as follows:

	Group	
	2025	2024
	S\$'000	S\$'000
Loss for the year attributable to equity holders of the Company	(650)	(592)
	Number of	Number of
	shares	shares
	'000	'000
Weighted average number of ordinary shares used in the calculation of basic loss per share	106,325	106,000

There is no dilutive loss per share as there were no potential dilutive ordinary shares outstanding at the end of the financial years ended 30 June 2025 and 2024.

Dilutive loss per share is the same as basic loss per share for the financial years ended 30 June 2025 and 2024.

(b) Impairment of investment in subsidiaries

The Company assessed the carrying amount of its investment in subsidiaries for indications of impairment. The recoverable amount of the relevant investment in subsidiaries was estimated using the fair value less cost to sell at the reporting date. The fair value measurement was estimated based on adjusted net assets of the subsidiaries after considering relevant internal and external factors.

At the reporting date, the Company carried out a review of the recoverable amount of its net investment in subsidiaries that are making losses and are in a net liabilities' position. An additional impairment loss of S\$960,000 (2024: S\$1,252,000) was recognised as at 30 June 2025 to write down these subsidiaries to their recoverable amount. The fair value measurement of the recoverable amount excluding cost of disposal has been categorised as Level 3 on the fair value hierarchy and based on the inputs of the valuation technique used under Note 3(m).

Accumulated depreciation		
At 1 July	589	–
Depreciation charge	1,409	589
At 30 June	1,998	589
Carrying amounts		
At 30 June	18,179	8,831

During the financial year ended 30 June 2025, the Group acquired investment property and undertook renovation works amounting to S\$8,895,000 and S\$1,862,000, of which S\$7,525,000 was under loan arrangement.

The investment properties held by the Group as at 30 June 2025 are as follows:

Description and location	Existing use	Tenure	Remaining lease term
9 Tuas South Street 11 Singapore	Leased out to a third party	Leasehold	10 years
4 Tuas South Street 11 Singapore	Leased out to a third party	Leasehold	10 years

The investment properties have been mortgaged to secure borrowings of the Group (see Note 23). The Group is not allowed to pledge this asset as security for other borrowings.

The property rental income earned by the Group from its investment properties, all of which is leased out under operating leases, amounted to S\$1,504,000 (2024: S\$494,000). Direct operating expenses arising on the investment properties in the period amounted to S\$596,000 (2024: S\$128,000). Other direct operating expenses arising from the investment properties that did not generate rental income is S\$ NIL (2024: S\$32,000).

As at 30 June 2025, the fair value of the Group's leasehold properties was approximately S\$26,000,000 based on an external valuation report dated 30 June 2025. The valuation report was prepared by the independent professional valuer, GB Global Pte. Ltd., using the direct comparison method. As at 30 June 2024, the fair value of the Group's leasehold property was approximately S\$9,741,000, as determined on the basis of management's review of similar properties in the market as at 30 June 2024. The key input applied in the estimation of the investment property is unit selling price per square foot.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

17 Investment Properties (cont'd)

Details of the Company's investment properties and information about the fair value hierarchy as at 30 June 2025 are as follows:

	Level 1 S\$'000	Level 2 S\$'000	Level 3 S\$'000	Total S\$'000
<u>2025</u>				
Leasehold properties	-	26,000	-	26,000
<u>2024</u>

19 Inventories

	Group	
	2025 S\$'000	2024 S\$'000
Scaffolding materials	271	522

During the year ended 30 June 2025, inventories of S\$159,000 (2024: S\$409,000) were recognised as an expense during the year and included in 'cost of sales' (Note 6).

The cost of inventories recognised as an expense includes a write-down of S\$205,000 (2024: Nil) relating to slow-moving inventories, to reflect their estimated net realisable value (Note 9).

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

20 Trade and Other Receivables

	Group		Company	
	2025 S\$'000	2024 S\$'000	2025 S\$'000	2024 S\$'000
Trade receivables:				
- third parties	5,598	5,099	-	-
Less: Loss allowance	(81)	-	-	-
	5,517	5,099	-	-
Other receivables (non-trade):				
- amount due from subsidiaries	-	-	3,306	2,303
- others	299	16	-	12
Deposits	368	701	-	-
	6,184	5,816	3,306	2,315
Prepayments	306	219	2	39
	6,490	6,035	3,308	2,354

Trade receivables are amounts due from customers for goods sold or services performed in the ordinary course of business.

The credit period for trade receivables ranges from 30 to 90 days (2024: 30 to 90 days). No interest is charged on the outstanding balances of trade receivables.

As of 30 June 2025, the deposits relate to a tenancy agreement for the leased office, storage space, workers' dormitory and deposit for renovation.

Loss allowance for trade receivables is measured at an amount equal to lifetime expected credit losses (ECL). The Group has recognised a loss allowance of 100% against trade receivables over 9 months and above past due (credit-impaired) because historical experience has indicated that these trade receivables are generally not recoverable. There has been no change in the estimation techniques or significant assumptions made during the current reporting period. None of the trade receivables that have been written off is subject to enforcement activities.

For the purpose of impairment assessment for other receivables, the loss allowance is measured at an amount equal to 12-month ECL which reflects the low credit risk of the exposures. There has been no change in the estimation techniques or significant assumptions made during the current reporting period in assessing the loss allowance for other receivables and the ECL is not significant.

The Group's and the Company's credit risk exposure in relation to trade receivables are set out in the provision matrix as presented below. The Group's and the Company's loss allowances are based on past due as the Group's and the Company's historical credit loss experience do not show significantly different loss patterns for different customer segments.

Notes to the Financial Statements

When the Group is the lessee

(a) Nature of the Group's leasing activities

The Group has entered into leases of buildings in respect of its office and storage. The leases typically run for a period of 2 to 3 years. The Group is prohibited from selling, pledging or sub-leasing the underlying leased assets, and is required to maintain the assets in good condition.

The Group leases certain motor vehicles under a number of hire purchase arrangements, which are typically runs for a period of 7 years. At the end of the lease term, the Group will acquire the motor vehicles from the lessors. The Group's obligations are secured by the lessors' title to the leased assets for such hire purchases.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

24 Lease Liabilities (cont'd)

When the Group is the lessee (cont'd)

(a) Nature of the Group's leasing activities (cont'd)

The Group leases accommodations with contract terms of one year or less. These leases are short-term leases and the Group has elected not to recognise right-of-use assets and lease liabilities for these leases. Some of these accommodation leases contain extension options exercisable by the Group up to one year before the end of the non-cancellable contract period. The extension options held are exercisable only by the Group and not by the lessors. The Group assessed at lease commencement date and determined that it was not reasonably certain to exercise the extension options. The Group reassesses whether it is reasonably certain to exercise the options if there is a significant event or significant changes in circumstances within its control.

(b) Details of right-of-use assets classified within Property, Plant and Equipment in Note 14 are as follows:

	2025	2024
	S\$'000	S\$'000
Motor vehicles	724	212
Office and store space	132	271
	856	483

(c) Amounts recognised in profit or loss

	2025	2024
	S\$'000	S\$'000
Depreciation for the year		
- Administrative expenses	68	319
Expenses relating to short term leases		
- Cost of sales (Note 6)	969	990
- Administrative expenses (Note 8)	28	70
	997	1,060
Interest expense on lease liabilities	27	32

(d) Amounts recognised in statement of cash flows

	2025	2024
	S\$'000	S\$'000
Total cash outflow for leases (excluding short term leases)	321	375

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

25 Deferred Tax Liabilities

Movements in deferred tax liabilities are as follows:

	At 1 July 2023 S\$'000	Recognised in profit or loss (Note 12) S\$'000	At 30 June 2024 S\$'000	Recognised in profit or loss (Note 12) S\$'000	At 30 June 2025 S\$'000
Property, plant and equipment	24	(3)	21	71	92
Intangible assets	2	(2)	–	–	–
	26	(5)	21	71	92

Unrecognised tax losses, donations and capital allowances

As at 30 June 2025, the Group has unutilised tax losses of approximately S\$1,528,000 (2024: S\$1,318,000), donations of approximately S\$20,000 (2024: S\$20,000) and capital allowances of approximately S\$435,000 (2024: S\$1,184,000) for which the deferred tax benefit has not been recognised. These unutilised losses and capital allowances can be carried forward and used to offset against future taxable income, subject to the agreement of the tax authorities and compliance with the relevant provisions of the tax legislation of the respective countries in which they operate. The unutilised tax losses have no expiry date.

26 Trade and Other Payables

	Group		Company	
	2025 S\$'000	2024 S\$'000	2025 S\$'000	2024 S\$'000
Trade payables:				
- third parties ^(a)	979	480	–	–
- GST payable	540	456	–	–
Customer deposits	672	130	–	–
	2,191	1,066	–	–
Other payables (non-trade):				
- immediate and ultimate holding company ^(b)	1,050	650	1,050	650
- non-controlling shareholder of a subsidiary ^(b)	1,509	–	–	–

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

27 Related Party Transactions

In addition to the related party information disclosed elsewhere in the financial statements, the Group entered into transactions with related parties during the financial year, on terms agreed between the parties, as shown below:

	Group	
	2025	2024
	S\$'000	S\$'000
(a) Related party transactions:		
Loan from immediate and ultimate holding company	400	650
(b) Key management personnel compensation:		
The remuneration of executive directors and key management is as follows:		
Directors' fees	112	112
Short-term benefits	841	833
Post-employment benefits (including contribution to defined contribution plan)	88	80
	1,041	1,025
Comprised amounts paid/payable to:		
Directors of the Company	544	542
Key management personnel	497	483
	1,041	1,025

28 Segment Information

The Group has the following four (2024: three) strategic divisions, which are its reportable segments. These divisions offer different services, and are managed separately. The Group's Chief Executive Officer (the chief operating decision maker) reviews internal management reports of each division at least quarterly. The following summary describes the operations in each of the Group's reportable segments:

(a) Engineering services

Sale and installation of scaffolding equipment, insulation and passive fire protection systems. Provision of workers on contract or ad-hoc basis for engineering services.

(b) Transportation services

Provision of bus services for public premium service routes, schools, corporates and ad hoc charters.

(c) Security and manpower services

Provision of security services, cleaning services and manpower staffing for aviation technicians.

(d) Properties investment

Leasing of investment properties to generate rental income and to gain from the appreciation in the value of the properties in the long term.

(e) Others

Others relate to unallocated amounts that includes provision of management, treasury and administrative services.

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit/(loss) before tax, as included in the internal management reports that are reviewed by the Group's CEO. Segment profit/(loss) is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries.

- (c) Geographical information

The engineering business, transportation business and security, manpower business and investment properties leasing business are managed in Singapore.

- (d) Major customers

Revenues from one (2024: one) customer of the Group's security and manpower business segment represents approximately S\$5,826,000 (2024: S\$5,215,000) of the Group's total revenues.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

29 Financial Instruments

i. Capital risk management

The primary objective of the Group's capital management is to ensure it maintains healthy capital ratios in order to continue as going concerns while maximising the return to stakeholders through the optimisation of the debt and equity balance. The Group's overall strategy remains unchanged from last year.

The Group is not subject to any significant externally imposed capital requirements.

Management reviews the capital structure of the Group and makes adjustment to it, in light of changes in economic conditions. Management considers the cost of capital and the risks associated with each class of capital. The Group monitors capital using the net debt-to-equity ratio. The Group's debt includes all liabilities (excluding current tax liabilities and deferred tax liabilities) less cash and bank balances. Equity includes all capital and reserves of the Group that are managed as capital.

	Group	
	2025 S\$'000	2024 S\$'000
Net debt	19,079	10,215
Equity	11,164	11,307
Net debt-to-equity ratio	1.71	0.90

ii. Financial risk management objectives and policies

The Group is exposed to financial risks arising from its operations and the use of financial instruments. The Board of Directors reviews and agrees policies and procedures for the management of these risks. The Audit and Risk Committee provides independent oversight to the effectiveness of the risk management process. These risks include credit risk, interest rate risk and liquidity risk. The Group does not enter into or trade financial instruments, including derivative financial instruments, for speculative purposes.

There has been no change to the Group's exposure to these financial risks or the manner in which it manages and measures the risks. The following sections provide details regarding the Group's and the Company's exposure to the above-mentioned financial risks and the objectives, policies and processes for the management of these risks.

iii. Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. In order to minimise credit risk, the Group has adopted a policy of only dealing with creditworthy counterparties as a means of mitigating the risk of financial loss from defaults. The Group generally does not require collateral. The Group reviews the recoverable amount of each trade receivable on an individual basis at the end of the reporting period to ensure that adequate loss allowance is made for irrecoverable amounts.

At the reporting date, the Group does not have significant credit risk exposure to any individual customer's balance of trade receivables. The Group's maximum exposure to credit risk arises from the carrying amount of the respective recognised financial assets as present on the consolidated statement of financial position. The carrying amounts of financial assets and contract assets represent the Group's maximum exposures to credit risk. In addition, the Company is exposed to credit risk in relation to financial guarantees given to banks provided by the Company. The Company's maximum exposure in this respect is the maximum amount the Company is liable to pay if the guarantees are called on as disclosed in Note 23.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

29 Financial Instruments (cont'd)

iii. Credit risk (cont'd)

Trade receivables and contract assets

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Group has established a credit policy under which each new customer is analysed individually for creditworthiness before the Group's standard payment and delivery terms and conditions are offered. The Group also performs credit evaluation of the existing customers by taking into account past experience with the customers.

As disclosed in Note 3(s), Group uses a provision matrix to measure the lifetime expected credit loss allowance for trade receivables and contract assets. In measuring the expected credit losses, trade receivables and contract assets are grouped based on their shared credit risk characteristics and numbers of days past due. The contract assets have substantially the same risk characteristics as the trade receivables from the same type of customers. Therefore, the Group has concluded that the expected credit loss rates for trade receivables are a reasonable approximation of the loss rates for the contract assets. Loss rates are estimated based on actual credit loss experience over the past three years. These rates are adjusted to reflect differences between economic conditions during the year over which the historic data has been collected, current conditions and the Group's view of economic conditions over the expected lives of the receivables. The amount of ECLs on non-credit impaired trade receivables was negligible, and ECLs was recognised for credit impaired trade receivables

Further details on the loss allowance of the Group's credit risk exposure in relation to contract assets and trade receivables is disclosed in Notes 5 and 20 respectively.

Cash and cash equivalents and other financial assets

The cash and cash equivalents are held with bank and financial institution counterparties, with sound credit ratings. Other financial assets are inclusive of non-trade receivables, accrued receivables and deposits.

Impairment on cash and cash equivalents and other financial assets has been measured on the 12-month expected loss basis. The Group considers its cash and cash equivalents and other financial assets have low credit risk based on the external credit ratings of the counterparties. The amount of the allowance on cash and cash equivalents and other financial assets was negligible.

Guarantees

The Group's policy is to provide financial guarantees only for wholly-owned subsidiaries' liabilities. The Company issued guarantee to certain banks in respect of credit facilities granted to five subsidiaries (2024: four) (Note 23). These guarantees are subject to the impairment assessment under SFRS(I) 9. The Company has assessed that the subsidiaries have strong financial capacity to meet the contractual cashflow obligations in the near future and hence, does not expect significant credit losses from the guarantees. The Company's assessment is based on qualitative and quantitative factors that are indicative of the risk of default (including but not limited management accounts and cash flow projections, and applying experienced credit judgement).

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

29 Financial Instruments (cont'd)

iii. Credit risk (cont'd)

Credit risk grading guideline

The Group's dedicated risk management team management assesses and reports to the key management personnel the default risk of debtors using the following internal credit risk grading system:

Internal rating grades	Definition	Basis of recognition of expected credit loss (ECL)
i. Performing	The counterparty has a low risk of default and does not have any past-due amounts.	12-month ECL
ii. Under-performing	There has been a significant increase in credit risk since initial recognition.	Lifetime ECL (not credit-impaired)
iii. Non-performing	There is evidence indicating that the asset is credit-impaired.	Lifetime ECL (credit impaired)
iv. Write-off	There is evidence indicating that there is no reasonable expectation of recovery as the debtor is in severe financial difficulty.	Asset is written off

Credit risk exposure

The credit quality of the Group's financial assets, as well as maximum exposure to credit risk by credit risk rating grades is presented as follows:

	ECL	Gross carrying amount S\$'000	Loss allowance S\$'000	Net carrying amount S\$'000
Group				
<u>2025</u>				
Trade receivables	Lifetime ECL (simplified)	5,517	–	5,517
Trade receivables	Lifetime ECL (Credit impaired)	81	(81)	–
Contract assets	Lifetime ECL (simplified)	913	–	913
<u>2024</u>				
Trade receivables	Lifetime ECL (simplified)	5,099	–	5,099
Contract assets	Lifetime ECL (simplified)	1,057	–	1,057

The Group has applied the simplified approach to measure the loss allowance of trade receivables and contract assets based on lifetime ECL. The details of the loss allowance for these financial assets are disclosed in Notes 20 and 5 respectively.

iv. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Group's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Group's reputation.

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

29 Financial Instruments (cont'd)

iv. Liquidity risk (cont'd)

The Group monitors its liquidity risk and maintains a level of cash and cash equivalents deemed adequate by management to finance the Group's operations and to mitigate the effects of fluctuations in cash flows.

In addition, the Group maintains the following lines of credit:

- S\$200,000 overdraft facility that is secured by a guarantee from the Company. Interest would be payable at the bank's prime rate per annum.
- Term loan facilities amounting to S\$15,475,000 with tenors of five and seven years are secured by corporate guarantees from the Company and a subsidiary, as well as by the investment properties of the Group, which has been drawn down to meet working capital requirements and investment properties acquisition. Interest would be payable at the rate of 2.50% to 7.75% per annum.

The table below summarises the Group's and Company's remaining contractual maturities of financial liabilities, including interest payments.

	Carrying amount S\$'000	Contractual cash flows S\$'000	Within 1 year S\$'000	Within 2-5 years S\$'000

Notes to the Financial Statements

FOR THE FINANCIAL YEAR ENDED 30 JUNE 2025

29 Financial Instruments (cont'd)

v. Market risk

Market risk is the risk that changes in market prices, such as interest rates will affect the Group's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of the Group's and the Company's financial instruments will fluctuate because of changes in market interest rates.

Exposure to interest rate risk

The Group is exposed to interest rate risk because they obtain credit facilities from banks and financial institutions. The Group's policy is to obtain the most favourable interest rates available. Surplus funds are placed with reputable banks.

The Company is not exposed to interest rate fluctuation risks as the Company does not hold any variable interest-bearing financial instruments.

At the reporting date, the interest rate profile of the Group's interest-bearing financial instruments was as follows:

	Nominal amount	
	Group	
	2025	2024
	S\$'000	S\$'000
Group		
Fixed rate instruments		
Loans and borrowings	(13,925)	(9,401)
Lease liabilities	(576)	(439)
	(14,501)	(9,840)

30 Subsequent Events

Subsequent to the financial year ended 30 June 2025, the Group's 51%-owned subsidiary, HPF Holdings Pte Ltd ("HPF"), had on 2 September 2025 been granted by Chutex Holdings Pte Ltd, an unrelated third party, an option to purchase ("Option") in respect of the balance of the lease from Jurong Town Corporation for Lot No. 1253W of Town Subdivision 17 together with the buildings and structures erected thereon known as No. 219 Kallang Bahru Singapore 339348 ("Property"). The agreed purchase price for the Property is S\$13,988,000, which will be financed through a combination of internal resources and bank borrowings. HPF exercised the Option on 22 September 2025, and completion of the acquisition is expected to take place on 1 June 2026.

Notice of Annual General Meeting

NOTICE IS HEREBY GIVEN THAT the Annual General Meeting (“AGM”) of **AEDGE GROUP LIMITED** (the “Company”) will be held at SAFRA Toa Payoh, Level 3, Lorong 6 Toa Payoh, Singapore 319387 on **Tuesday, 28 October 2025 at 10.30 a.m.** to transact the following business.

AS ORDINARY BUSINESS

1. To receive and adopt the Audited Financial Statements of the Company for the financial year ended 30 June 2025 together with the Statement of Directors and the Independent Auditor’s Report thereon. **Resolution 1**
2. To approve the payment of Directors’ Fees of S\$112,000 for the financial year ended 30 June 2025 (FY2024: S\$112,000). **Resolution 2**
3. To re-elect Mr Poh Soon Keng, a Director who is retiring pursuant to Regulation 98 of the Company’s Constitution.
[See Explanatory Note (i)] **Resolution 3**
4. To re-elect Mr Goh Joon Lian, a Director who is retiring pursuant to Regulation 98 of the Company’s Constitution.
[See Explanatory Note (ii)] **Resolution 4**
5. To re-elect Mr Cheam Heng Haw, a Director who is retiring pursuant to Regulation 102 of the Company’s Constitution.
[See Explanatory Note (iii)] **Resolution 5**
6. To re-appoint Messrs Moore Stephens LLP as the Auditors of the Company and to authorise the Directors of the Company to fix their remuneration. **Resolution 6**

AS SPECIAL BUSINESS

To consider and, if thought fit, to pass the following resolutions, with or without modifications:

7. **AUTHORITY TO ALLOT AND ISSUE SHARES UNDER THE AEDGE PERFORMANCE SHARE PLAN** **Resolution 7**

“THAT pursuant to Section 161 of the Companies Act 1967 and the provisions of the Aedge Performance Share Plan (“PSP”), approval be and is hereby given to the Directors of the Company to allot and issue from time to time such number of Shares in the share capital of the Company as may be required to be issued pursuant to the vesting of awards granted under the PSP, provided always that the aggregate number of additional ordinary Shares to be allotted and issued pursuant to the PSP, when aggregated with the aggregate number of Shares over which options and awards are granted under any other share option schemes or share schemes of the Company, shall not exceed 15% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) of the Company from time to time.”

[See Explanatory Note (iv)]

Notice of Annual General Meeting

8. AUTHORITY TO ALLOT AND ISSUE SHARES

Resolution 8

“THAT pursuant to Section 161 of the Companies Act 1967 and the Listing Manual Section B: Rules of Catalist (“**Catalist Rules**”) of the Singapore Exchange Securities Trading Limited (“**SGX-ST**”), authority be and is hereby given to the Directors of the Company to (i) issue and allot new shares (“**Shares**”) in the capital of the Company (whether by way of rights, bonus or otherwise); and/or make or grant offers, agreements or options (collectively, “**Instruments**”) that might or would require Shares to be issued, including but not limited to the creation and issue of (as well as adjustments to) warrants, debentures or other instruments convertible into Shares, at any time and upon such terms and conditions and for such purposes and to such persons as the Directors may, in their absolute discretion, deem fit; and (notwithstanding the authority conferred by this resolution may have ceased to be in force) issue Shares in pursuance of any Instrument made or granted by the Directors while this resolution was in force, provided that:

- (1) the aggregate number of the Shares to be issued pursuant to such authority (including the Shares to be issued in pursuance of Instruments made or granted pursuant to such authority), does not exceed 100% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with paragraph (2) below), and provided further that where shareholders of the Company (“**Shareholders**”) are not given the opportunity to participate in the same on a pro-rata basis (“**non pro-rata basis**”), then the Shares to be issued under such circumstances (including the Shares to be issued in pursuance of Instruments made or granted pursuant to such authority) shall not exceed 50% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the capital of the Company (as calculated in accordance with paragraph (2) below);
- (2) (Subject to such manner of calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of the Shares that may be issued under paragraph (1) above, the total number of issued Shares (excluding treasury shares and subsidiary holdings) shall be based on the issued Shares of the Company (excluding treasury shares and subsidiary holdings) at the time such authority was conferred, after adjusting for:
 - (a) new Shares arising from the conversion or exercise of any convertible securities;
 - (b) new Shares arising from the exercising of share options or the vesting of share awards which are outstanding or subsisting at the time this resolution is passed, provided that the share options or share awards were granted in compliance with Part VIII of Chapter 8 of the Catalist Rules; and
 - (c) any subsequent consolidation or subdivision of the Shares;
- (3) in exercising the authority conferred by this Resolution, the Company shall comply with the requirements imposed by the SGX-ST from time to time and the provisions of the Catalist Rules for the time being in force (in each case, unless such compliance has been waived by the SGX-ST), all applicable legal requirements under the Companies Act and otherwise, and the Constitution of the Company for the time being; and unless revoked or varied by the Company in a general meeting, the authority so conferred shall continue to be in force until the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law to be held, whichever is earlier.”

[See Explanatory Note (v)]

BY ORDER OF THE BOARD

POH SOON KENG
EXECUTIVE CHAIRMAN AND CHIEF EXECUTIVE OFFICER

13 October 2025

Notice of Annual General Meeting

Explanatory Notes:

- (i) Mr Poh Soon Keng will, upon re-election as a Director of the Company, remain as the Executive Chairman and Chief Executive Officer and a member of the Nominating Committee of the Company.
- (ii) Mr Goh Joon Lian will, upon re-election as a Director of the Company, remain as an Independent Director, the Chairman of the Nominating Committee and a member of Audit and Risk Committee and Remuneration Committee. The Board considers Mr Goh Joon Lian to be independent for the purposes of Rule 704(7) of the Catalist Rules.
- (iii) Mr Cheam Heng Haw will, upon re-election as a Director of the Company, remain as an Independent Director, the Chairman of the Remuneration Committee and a member of the Audit and Risk Committee. The Board considers Mr Cheam Heng Haw to be independent for the purposes of Rule 704(7) of the Catalist Rules.

Detailed information on Mr Poh Soon Keng, Mr Goh Joon Lian and Mr Cheam Heng Haw can be found under the “Board of Directors” and “Disclosure of information on directors seeking re-election pursuant to Rule 720(5) of the Catalist Rules” sections in the Company’s Annual Report 2025.

- (iv) The proposed ordinary resolution 7, if passed, will empower the Directors of the Company to allot and issue Shares in the Company with the aggregate number of Shares over which options or awards are granted under any other share option schemes or share schemes of our Company, collectively of up to a number not exceeding in total 15% of the total number of issued Shares (excluding treasury shares and subsidiary holdings) in the share capital of the Company from time to time pursuant to the grant of share awards under the PSP.
- (v) The proposed ordinary resolution 8, if passed, will empower the Directors of the Company from the date of this AGM until the date of the next AGM, or the date by which the next AGM is required by law to be held or the date such authority is revoked by the Company in a general meeting, whichever is the earliest, to issue shares in the Company up to an amount not exceeding 100% of the total number of issued shares in the capital of the Company with a sub-limit of 50% other than on a pro-rata basis to shareholders for the time being for such purposes as they consider would be in the interest of the Company.

Notes:-

1. Printed copies of this notice of AGM (the “**Notice**”), Proxy Form and Request Form will be sent to members by post. Printed copies of the Annual Report 2025 will not be sent to members. A member may request a printed copy of the Annual Report 2025 by submitting the Request Form. The Notice, Proxy Form and Annual Report 2025 are also published on the SGX website at the URL <https://www.sgx.com/securities/company-announcements> and the Company’s website at the URL <https://www.aedge.com.sg/>.

Appointment of Proxies

2. A member of the Company who is entitled to attend and vote at the AGM and who is not a relevant intermediary is entitled to appoint not more than two (2) proxies to attend and vote in his/her stead. Where such member appoints more than one (1) proxy, he/she shall specify the proportion of his/her shareholding to be represented by each proxy and if no percentage is specified, the first named proxy shall be deemed to represent 100 per cent of his/her shareholding and any second named proxy shall be deemed to be an alternate to the first named proxy. If the appointer is a corporation, the proxy must be executed under seal or the hand of its duly authorised officer or attorney. Where an instrument appointing proxy(ies) is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company), if the instrument is submitted by post, be lodged with the instrument or, if the instrument is submitted electronically via email, be emailed with the instrument, failing which the instrument may be treated as invalid.
3. A member of the Company who is entitled to attend and vote at the AGM and who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend and vote in its stead. Where such member appoints more than one (1) proxy, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.
4. Investors who hold shares through relevant intermediaries who wish to participate in the AGM should approach their respective agents at least (7) seven working days before the AGM, so that the necessary arrangements can be made by the relevant agents for their participating in the AGM.

“Relevant Intermediary” has the meaning ascribed to it in Section 181 of the Companies Act 1967 of Singapore.

5. A proxy, including the Chairman of the AGM, need not be a member of the Company.
6. Where a member (whether individual or corporate) appoints the Chairman of the AGM as his/her/its proxy, he/she/it must give specific instructions as to voting, or abstentions from voting, in respect of the resolutions, failing which, the appointment of the Chairman of the AGM as proxy for the resolutions will be treated as invalid.
7. The instrument or form appointing a proxy, duly executed, must be submitted (a) via email to sg.is.proxy@sg.tricorglobal.com; or (b) by post to the office of the Company’s Share Registrar, Tricor Barbinder Share Registration Services at 9 Raffles Place, #26-01 Republic Plaza, Singapore 048619, in each case, no later than **10.30 a.m. on 25 October 2025** (being not less than 72 hours before the time appointed for holding the AGM) in order for the proxy to be entitled to attend and vote at the AGM.

Notice of Annual General Meeting

Submission of Questions

8. Members or their appointed proxy(ies) may pre-submit questions relating to the resolutions to be tabled for approval at the AGM (a) via email to agmqueries@aedge.com.sg; or (b) by post to the Company's registered office at 4009 Ang Mo Kio Avenue 10, #04-33 Tech Place 1, Singapore 569738, by **5.00 p.m. on 21 October 2025**.
9. Members who pre-submit questions via email or by post to the Company must provide their full name as it appears in the CDP records, address, contact number, email address, number of shares in the Company for verification. Questions submitted by members whose identification details are lacking will not be entertained.
10. For questions submitted in advance of the AGM, the Company will provide responses to all substantial and relevant questions by publication on the SGX website and the Company's website by **23 October 2025**, to facilitate members' votes and to allow members to make an informed decision on the resolutions to be tabled at the AGM. Questions received after **5.00 p.m. on 21 October 2025** will be addressed at the AGM.

PERSONAL DATA PRIVACY

By submitting an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents or service providers) for the purpose of the processing, administration and analysis by the Company (or its agents or service providers) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents or service providers) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "Purposes"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents or service providers), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents or service providers) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

Photographic, sound and/or video recordings of the AGM may be made by the Company for record keeping and to ensure the accuracy of the minutes prepared of the AGM. Accordingly, the personal data of a member of the Company and/or his proxy(ies) and/or representative(s) (such as his/her name and his/her presence at the AGM) may be recorded by the Company for such purpose.

(Incorporated in the Republic of Singapore)

PROXY FORM

ANNUAL GENERAL MEETING

IMPORTANT:

- Printed copies of the Notice of Annual General Meeting ("AGM"), Proxy Form and Request Form will be sent to members by post. Electronic copies of the Notice of AGM, Proxy Form, Request Form and Annual Report 2025 are published on the SGX website at the URL <https://www.sgx.com/securities/company-announcements> and the Company's website at the URL <https://www.aedge.com.sg/>.
- This Proxy Form is not valid for use and shall be ineffective for all intents and purposes if used or purported to be used by investors who hold shares through relevant intermediaries. Investors who hold shares through relevant intermediaries who wish to vote or appoint proxy(ies) should approach their respective agents to submit their votes at least seven working days before the AGM.
- By submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of AGM dated 13 October 2025.

Register of Members	

Signature(s) of member(s) or
Common Seal of Corporate Shareholder

IMPORTANT: PLEASE READ NOTES OVERLEAF.

NOTES:

1. If the member has shares entered against his/her name in the Depository Register (maintained by The Central Depository (Pte) Limited), he/she should insert that number of shares. If the member has shares registered in his/her name in the Register of Members (maintained by or on behalf of the Company), he/she should insert that number of shares. If the member has shares entered against his/her name in the Depository Register and shares registered in his/her name in the Register of Members, he/she should insert the aggregate number of shares. If no number is inserted, this form of proxy (the "**Proxy Form**") will be deemed to relate to all the shares held by the member.
2. (a) A member of the Company who is entitled to attend and vote at the AGM and who is not a relevant intermediary is entitled to appoint not more than two (2) proxies to attend and vote in his/her stead. Where such member appoints more than one (1) proxy, he/she shall specify the proportion of his/her shareholding to be represented by each proxy and if no percentage is specified, the first named proxy shall be deemed to represent 100 per cent of his/her shareholding and any second named proxy shall be deemed to be an alternate to the first named proxy. If the appointer is a corporation, the proxy must be executed under seal or the hand of its duly authorised officer or attorney.

(b) A member of the Company who is entitled to attend and vote at the AGM and who is a relevant intermediary is entitled to appoint more than two (2) proxies to attend and vote in its stead. Where such member appoints more than one (1) proxy, the number and class of shares in relation to which each proxy has been appointed shall be specified in the form of proxy.
3. A proxy, including the Chairman of the AGM, need not be a member of the Company.
4. A member of the Company, which is a corporation, is entitled to appoint its authorised representative or proxy to vote on its behalf.

Please fold here

5. The instrument or form appointing a proxy, duly executed, must be submitted (a) by post to the office of the Company's Share Registrar, Tricor Barbinder Share Registration Services at 9 Raffles Place, #26-01 Republic Plaza, Singapore 048619; or (b) via email to sg.is.proxy@sg.tricorglobal.com, in each case, no later than 10.30 a.m. on 25 October 2025 (being not less than 72 hours before the time appointed for holding the AGM) in order for the proxy to be entitled to attend and vote at the AGM.
6. Where a Proxy Form is signed on behalf of the appointor by an attorney, the letter or power of attorney or a duly certified copy thereof must (failing previous registration with the Company) be lodged with the Proxy Form, failing which the Proxy Form may be treated as invalid.
7. Where a member (whether individual or corporate) appoints the Chairman of the AGM as his/her/its proxy, he/she/it must give specific instructions as to voting, or abstentions from voting, in respect of the resolutions, failing which, the appointment of the Chairman of the AGM as proxy for the resolutions will be treated as invalid.
8. The Company shall be entitled to reject a Proxy Form which is incomplete, improperly completed, illegible or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified on the Proxy Form. In addition, in the case of shares entered in the Depository Register, the Company may reject a Proxy Form (or any related attachment) if the member, being the appointor, is not shown to have shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the AGM, as certified by The Central Depository (Pte) Limited to the Company.
